STATEMENT OF FACTS

12. M. Fisher is a software engineer that has resided in the State of Florida since he was a child.
13. He went to a single local Palm Beach Gardens school for his primary schooling.
14. Upon graduation from high school, M. Fisher went on to major in information technology at Florida State University.
15. M. Fisher has held a steady job since his graduation and is currently a software engineer.
16. In June 2018, M. Fisher met E. Gabbey, on an online dating site called OkCupid, under the false name of Eden.

17. At the time, M. Fisher believed that E. Gabbey was a 23 year old woman named Eden, which was reflected by her online dating profile.
18. For over 3 months of dating, M. Fisher only knew E. Gabbey as ‘Eden.’ E. Gabbey presented herself as innocent and harmless to M. Fisher over the initial few months.
19. For several months, E. Gabbey led M. Fisher to believe that she was 23 years old.
20. It was not until M. Fisher discovered an online Tinder dating profile, registered to E. Gabbey, did E. Gabbey then lead him to believe that she was 22 years old.
21. The following exchange took place between M. Fisher and E. Gabbey, on or about September 11, 2018:

- i. **E. Gabbey: “I didn’t have tinder in 2014?”**
- ii. **E. Gabbey: “Not until the end of 2017.”**
- iii. **E. Gabbey: “I don’t remember making this?”**
- iv. **Fisher: “It used your Facebook to login.”**
- v. **E. Gabbey: “it says I’m 24 in this.”**
- vi. **E. Gabbey: “I’m 22.”**
- vii. **E. Gabbey: “I was born in 96.”**

A true and correct copy of the text messages have been incorporated herein as Exhibit A

22. After this exchange, M. Fisher and E. Gabbey continued dating. On one date, they went out for food and a restaurant employee recognized ‘Eden’ and called her ‘Emma,’ which she responded to without even realizing. This prompted M. Fisher to look online to see if he could find out anything about ‘Emma Gabbey’ rather than ‘Eden Gabbey.’
23. At that time, upon further investigation, M. Fisher found a 2015 Facebook posting, which indicated that a 15 year old, bearing an almost identical resemblance to E. Gabbey, had run away from home and was missing. A true and correct screen grab of such posting has been incorporated herein by reference as Exhibit B.
24. Using the timestamp on the Facebook posting and the age stated in the posting, M. Fisher questioned E. Gabbey about her age.

25. After extensive research, M. Fisher came to the conclusion that E. Gabbey was under the age of 18 and indicated that it was only fair that the public knew the truth to shield themselves from E. Gabbey's deception of luring men into relationships with an underage woman.

26. The following transcription of yet another text conversation with Marlin Fisher depicts E. Gabbey's deception and manipulation at even greater length. The following evidences depicts a sophisticated plotter, who understands full well the legal consequences of her lies about her age being exposed:

- i. E. Gabbey: "or threatened to have all my information used against me in my [REDACTED] (Potentially Confidential according to Rule 2.240) case...".
- ii. M. Fisher: "I think I need you to kill "Eden, 22" and become "Emma, 17."
- iii. E. Gabbey: "Yeah... I can't really tell people my age though until I turn 18."
- iv. E. Gabbey: "I think it's important for me to not put the case on the line"
- v. M. Fisher: "It's taken me a while, but I realize that believing you intend to change while you continue to live a lie is just me lying to myself."
- vi. E. Gabbey: "If you are looking for me to publicly tell my actual age & a name today or before my case is over, I'll sadly have to inform you that I won't. If that is what it takes to prove myself to you, I won't be able to."
- vii. E. Gabbey: "Well I won't now that we are done."
- viii. M. Fisher: "Emma, that's up to you."
- ix. M. Fisher: "But lying to the world so that you can lie in court. Thats a fucked up reason and a fucked up priority."
- x. E. Gabbey: "So I can lie in court? 😊 ok." *Emphasis Added.*
- xi. M. Fisher: "You don't mind if I let [M]anzino know you're 17 do you?"
- xii. E. Gabbey: "Why would you do that? Your threatening me because I want to change."
- xiii. E. Gabbey: "I can come back if you don't do that."
- xiv. E. Gabbey: "I'm choosing to protect my identity and temporal futures."
- xv. E. Gabbey: "Nobody's life is at risk."
- xvi. M. Fisher: "Everyone you fucked is at risk. Thought you learned something from that call. More bullshitting?"
- xvii. E. Gabbey: "I did learn. I won't be fucking anybody older anymore unless they know my age & if they consent to that, it's on them...."

A true and correct copy of the text messages are incorporated herein by reference as Exhibit C.

27. Throughout other portions of this exchange, E. Gabbey accuses M. Fisher of terrible abuses, which were completely untrue and could only be seen as her trying to create a fictional, but criminally damaging series of events, which did not happen.

28. As the conversation continued, E. Gabbey confesses to another reason for lying about her age: she enjoys exploiting her suitors like a predator. Also, when confronted by M. Fisher about her scheme, she immediately goes on the defensive. E. Gabbey equates being exposed as a liar with “blackmail” and a threat to her own wellbeing, casting herself as the victim – believing that, in telling the truth, M. Fisher had “betrayed” and “abandon[ed]” her. The following exchange took place between E. Gabbey and Fisher:

- i. M. Fisher: “Then why hide your age from anybody at all Emma?”
- ii. E. Gabbey: “Because I don’t want to share my identity because of my case... and I want to drink and have fun :).”
- iii. M. Fisher: “Jesus Christ, you’re evil Eden.”
- iv. E. Gabbey: “I’ll do what I need to do. Give me a deadline for after my court case, I’ll do it for you :.”
- v. M. Fisher: “I’m doing it for you right now. Your case is irrelevant and has no bearing on the legality for him, me, or countless others - we’re all trapped by that, and most of us weren’t aware if what you were having us do until it was too late.”
- vi. E. Gabbey: “You are willing to blackmail me to ruin my rape case? All of this behavior happened AFTER the case. My choices.”
- vii. E. Gabbey: “You’re putting peoples lives as predicament.”
- viii. E. Gabbey: “You don’t know if any of his private investigators were watching me after what happened.”
- ix. M. Fisher: “I don’t need your consent to tell people your age or name. You agreed to make that information public about 50 times over every time you accepted the terms and conditions of each social site... You have no intent or desire to change you have no plan to change.”
- x. M. Fisher: “Thanks for those call logs by the way, and that list of promises, and posting me on Instagram, etc etc etc.”
- xi. E. Gabbey: “When did I post you on Instagram.”
- xii. E. Gabbey: “Oh . Why would I post someone who’s blackmailing me on Instagram”.
- xiii. E. Gabbey: “You’re blackmailing me to get what you want”.
- xiv. M. Fisher: “I don’t want anything, and because I don’t want anything it’s not blackmail.”
- xv. E. Gabbey: “If you chose to blackmail me, I would have no choice expect to be honest with the world about what you’ve done to me, why, and you would have to suffer repercussions of the truth. Among several men that attributing to my problems and behavior... of whom I also have evidence for. ”

xvi. M. Fisher: “I hear your points, and I’m not manipulating you to do anything. You could do something to prevent me if this were blackmail. There is nothing you can do. I hoped you wouldn’t be shallow and selfish, I hoped you would show me you care. You showed me you don’t care at all.”

xvii. E. Gabbey: “you *blackmailed, betrayed my trust, & abandoned me.*” *Emphasis Added.*

xviii. E. Gabbey: “Thanks for *abandoning me.*” *Emphasis Added.*

A true and correct copy of the text messages are incorporated herein by reference as Exhibit C.

29. E. Gabbey refuses to be accountable for her repulsive sequence of lies, but purposefully continues to perpetrate emotional and life time damage to anyone she finds in her path. She does this by refusing to allow them to know the truth and intentionally harming them with unscrupulous and devious tactics – such as blaming and blackmailing M. Fisher to force forgiveness and incite fear, as evidenced in Exhibit C.

30. E. Gabbey misled M. Fisher about her age on multiple occasions, using different ages and different excuses why she could not show an identification, which follows a pattern confirmed by witnesses and what E. Gabbey has done to others. On one occasion Fisher and E. Gabbey had the following exchange regarding identification for name and age verification:

- i. M. Fisher: “Send me a photo of your ID please.”
- ii. E. Gabbey: “I have to go to the dmv tomorrow to get a new one. I’ll send you a picture tomorrow.”
- iii. M. Fisher: “You said you have one there. I’m not interested in what you can show me tomorrow.”
- iv. E. Gabbey: “I have a passport here.”
- v. E. Gabbey: “And an old fake.”
- vi. M. Fisher: “Let me see them all.”
- vii. E. Gabbey: “I’m pretty sure I lost my suspended license but for sure.”

A true and correct copy of the text messages are incorporated herein by reference as Exhibit D.

31. All of these messages regarding E. Gabbey actively concealing her age from the general public, using the induction of men into sexual encounters with a minor, concealing her age to drink and enter bars and nightclubs, and refusing to admit the truth about her lying about her age on various media profiles, even during a criminal court proceeding, shows that E. Gabbey does this with treachery, premeditation, and advantage.

B. Emma Gabbey's Lies About Her Age To Tyler Hensel

32. E. Gabbey's lies did not stop with M. Fisher. Upon information and belief, Tyler Hensel, another former casual partner of E. Gabbey, was manipulated, by Gabbey to believe that she was 26 years old. Hensel, who was approximately 35 at the time he had intercourse with E. Gabbey, and was thus deceived into believing he was having a licit relationship.

33. Eventually, upon learning that E. Gabbey had communicated a different age to someone else, Hensel began questioning E. Gabbey about her age, which got E. Gabbey to "confess" to him that she was "actually 19 years old." In reality, E. Gabbey was neither 26 nor 19, but approximately 17 and still a minor, therefore demonstrating another situation where E. Gabbey induced a man into having sex while still a minor.

C. Emma Gabbey's Lies About Her Age To Cael Detter

34. E. Gabbey's lies then continued with Cael Detter. C. Detter's case is yet another example of a former sexual partner of E. Gabbey being induced into an illicit act by E. Gabbey after she lied about her age again.

35. Mr. Detter explained to Inv. Rick Loveridge that he met E. Gabbey on a dating application called Bumble. E. Gabbey represented herself as Eden and the age of 23. A true and correct copy of the Inv. Loveridge's sworn affidavit is incorporated by reference herein as Composite Exhibit E.

36. Moreover, during the course of their relationship, E. Gabbey made up several fictitious “siblings” and “family members,” which were actually neither.

37. The following is a partial list of cases where E. Gabbey fabricated a person’s relation to her:

- i. **According to the sworn affidavit of Joel Frydman, E. Gabbey would go around telling people that Frydman was her brother, which made him very uncomfortable.** The sworn affidavit of Joel Frydman is incorporated here by reference as Exhibit F.
- ii. **E. Gabbey described the following people as her brothers and sisters to M. Fisher: Bianca Buda, Mia, Alban, Tyber, and Matt.**

38. In another instance, E. Gabbey misled M. Fisher about a man named Andrew, which E. Gabbey claimed to be her brother to M. Fisher for a period of months, until M. Fisher discovered a video sent from Andrew to E. Gabbey of Andrew in the shower. E. Gabbey portrayed Andrew as a sibling to purposefully trick her then boyfriend and continue to have and conceal a sexual relationship with Andrew from Fisher. A true and correct copy of the text messages are incorporated by reference herein as Exhibit G.

39. E. Gabbey also made the following comments about and references to her alleged “siblings” in text messages to Marlin Fisher:

- i. **“he scared the shit out of my siblings.”**
- ii. **“Unless they were my family... Like Bianca or my brothers.”**
- iii. **“I took my sister out to lunch.”**
- iv. **“I took my little sister out for lunch on my break.”**
- v. **“my brother wanted to go out drinking.”**
- vi. **“My brothers are crazy fun hahah.”**

40. Upon information and belief, most if not all of these fabricated “family members” were invented to cover a web of lies and wrongdoings or to further the selfish interests of E. Gabbey, including using alibi’s to cover her cheating, which inflicted distress repeatedly to M. Fisher as he agonized for truth.

41. In the following exchange, E. Gabbey refers to Bianca Buda as her “sister,” an obvious lie that was later also discredited by Buda’s own mother. According to the sworn affidavit of Investigator Rick Loveridge, the mother of Bianca Buda contacted him and told him that Bianca Buda and E. Gabbey had a falling out approximately four years previously, and that they were “friends” at that time. This, however, did not prevent E. Gabbey from calling Bianca “her sister”:

- i. **“Ok I lied. I worked at Bianca’s, grabbed food, then went out and drank with Bianca”... “I did it because I wanted to spend time with my sister without any distractions.”**

A true and correct copy of the text messages are incorporated by reference herein as Exhibit H. A true and correct copy of the affidavit of Inv. Loveridge is incorporated by reference by reference herein as Composite Exhibit E.

42. E. Gabbey has also made allegations about her parents. E. Gabbey alleged to M. Fisher that her mother, M. Gabbey, is a methamphetamine addict and her father is dead. In the following messages, the outrageous conduct can be seen:

- a. **E. Gabbey: “I don’t have an emotional connection with you You’ve destroyed it.”**
- b. **Fisher: “Father’s suicide, brothers overdose, mother trying to take your house, mother finding out were still seeing each other, morhers boyfriend molesting you, 2 fake and horribly vivid rapes, 2 fake pregnancies, 5 fake family members. Did I destroy our emotional connection.”**
- c. **Fisher: “Oh completely fake sudden discovery of your adoption.”**
- d. **Fisher: “How much of that did I comfort you through, and how much of it was just designed to manipulate me.”**
- e. **E. Gabbey: “I did.”**
- f. **E. Gabbey: “there you got what you wanted.”**
- g. **E. Gabbey: “I destroyed everything.”**
- h. **E. Gabbey: “Yes you are correct.”**
- i. **E. Gabbey: please don’t make out my mom to be a bad mom She’s a really amazing woman.”**
- j. **M. Fisher: “Ummm. You told me she abandonned you and her two younger children to go on a meth binge? And that the only person to ever help you when you were in need was your older brother Matt.”**
- k. **E. Gabbey: “thought that was all clarified.”**
- l. **E. Gabbey: “this is fucking stupid.”**

A true and correct copy of the text messages are incorporated by reference herein as Exhibit I.

43. In this instance, M. Fisher was trying to clarify yet another falsehood told by E. Gabbey, which put him into a state of extreme and recurrent distress as E. Gabbey became extremely irritated when her own lies were mentioned.

44. E. Gabbey's aversion to telling the truth extended far past fabricating crucial biographical details about her age and family. Indeed, E. Gabbey's statements establish a flagrant and recurrent pattern of lying behavior, which occurred regularly and was not limited by subject matter.

45. The following text messages show that E. Gabbey is an obsessive liar with a profound and immoral history of bearing false witness against men and women for personal malevolent achievements. These prior statements, of which the following list only scratches the surface, demonstrate a pattern of malicious, deceitful behavior and reckless disregard for truth-telling, by an deeply troubled woman who will stop at nothing to destroy another person's life:

- i. **E. Gabbey: "The reason I lie is because I chose to!"**
- ii. **E. Gabbey: "It would take me a week or so. Dedicating hours to it. No. The list I'm writing of lies I've told."**
- iii. **E. Gabbey: "Ok you're right. I did lie..."**
- iv. **E. Gabbey: "I can't & won't promise that I will be able to immediately stop misconstruing a situation if I am unaware that I am doing it. I will stop myself from speaking if I'm going to lie or conceal".**
- v. **E. Gabbey: "I'm not lying about any guys anymore".**
- vi. **E. Gabbey: "I know I lied. But I did tell you I met him on ok cupid".**
- vii. **E. Gabbey: "...I'm so used to lying".**
- viii. **E. Gabbey: "I shouldn't have lied about lying".**
- ix. **E. Gabbey: "I'm 17 years old with a lying problem..."**
- x. **E. Gabbey: "I feel sad about the way my lying has impacted you."**
- xi. **E. Gabbey: "I've lied countless".**

- xii. E. Gabbey: "It was an instant reaction to deceive and avoid accountability for what I had previously lied about".
- xiii. E. Gabbey: "It is difficult for me to change patterns that I've developed and acted by for years."
- xiv. E. Gabbey: "I didn't lie to you maliciously or intentionally. You told me I lied so many times I ended up agreeing with you".
- xv. E. Gabbey: "You deserve somebody who isn't a liar, who can face rejection, and is stronger than I am...".
- xvi. E. Gabbey: "I absolutely have lied to you".
- xvii. E. Gabbey: "I wish I had never lied..."
- xviii. E. Gabbey: "You've made me more honest than I have been in years".
- xix. E. Gabbey: "[I] am impulsive when I am hurt."
- xx. E. Gabbey: "Even if I tell you the truth you're going to leave me".
- xxi. E. Gabbey: "I have lied before intentionally and unintentionally in my life".
- xxii. E. Gabbey: "That was the first time intentionally lied to you about anything like such".
- xxiii. E. Gabbey: "I lied and then told you the truth".
- xxiv. E. Gabbey: "I'm not a liar. I've most definitely lied. I'm certainly not any kind of liar though".
- xxv. E. Gabbey: "Every lie, misconception, and hurtful choice I've told, portrayed, and made should be accounted for".
- xxvi. E. Gabbey: "But I recalled that I lied about it".
- xxvii. E. Gabbey: "And then I plan to compare the texts and see what I've lied about".
- xxviii. E. Gabbey: "I compulsively lie and would love to learn how to change that."
- xxix. E. Gabbey: "I'm a liar too".
- xxx. E. Gabbey: "I feel sad about the way my lying has impacted you".
- xxxi. E. Gabbey: "Fuck, I lied."
- xxxii. E. Gabbey: "I have no boundaries I lie because I feel small and I want to feel bigger."

A true and correct copy of the text messages are incorporated herein by reference as Exhibit J.

46. As the exhibits show, in combination with the statements above, E. Gabbey has a high degree of awareness of her unscrupulous, false, and serious corruption of the truth and law for her own personal agenda, with little to no consequences. E. Gabbey has no remorse for her lies and the emotional distress that it has on her victims, blaming others, and even going so far as to victim blame when M. Fisher asked her for the truth.

47. This is not a complete and comprehensive list of the number of times E. Gabbey has previously admitted to lying.

48. Accordingly, by her own repeated declarations and admissions, E. Gabbey had mastered lies of denial, the lies of omission, lies of fabrication, lies of minimization, lies of concealment and lies of exaggeration – in other words, E. Gabbey had mastered the “art of lying.” E. Gabbey, since a young age, has exaggerated her looks, used provocative clothing, and sexual language, which can be disarming to her targets. E. Gabbey combines this with a compulsive tendency to fabricate the truth, leading to devastating results that can – and have – destroyed the lives of her targets.

49. In addition to using manipulation and deceit to induce men, like M. Fisher, into sexual relationships with a minor, E. Gabbey has an extended history of having consensual sex with men, revoking consent after the act, and then maliciously accusing said men of abuse, rape, and involuntary confinement for her own selfish purposes. In addition, E. Gabbey has systematically accused both men and women of committing additional heinous crimes against her and other people for crimes, often with or without an apparent reason. The following examples corroborate these claims of malicious conduct:

- i. **Louisiana Rape and Imprisonment Allegation:** Three men, one named Maverick, allegedly gave E. Gabbey a place to stay and then took turns raping her. E. Gabbey said she called from the pay phone to her brother to come save her, but did not make any reports to police. E. Gabbey made it clear to Fisher that this allegation was completely false.
- ii. **Ft. Lauderdale Rape Allegation:** E. Gabbey accused a man named Douglas Brandon of imprisoning her and raping her during a trip to Fort Lauderdale. She

was able to freely text during this time and had her location shared with M. Fisher. She was able to freely text during this time and admits to making up the rape allegation, as evidenced by text messages incorporated herein by reference as Composite Exhibit K. Furthermore, E. Gabbey miraculously escaped confinement and imprisonment when Marlin Fisher told her that he was going to send police to the location. According to the sworn affidavit of Inv. John DiPaolo, who interviewed Mr. Brandon, no such thing ever took place and it was a blatant lie. In fact, Mr. Brandon and E. Gabbey met on Tinder and had casual intercourse once. E. Gabbey stayed over and left the next morning, as Mr. Brandon was going to play golf, as he recalled. A true and correct copy of the affidavit of Inv. DiPaolo is incorporated herein as Composite Exhibit E.

iii. **Joel Frydman Rape Allegation:** E. Gabbey claimed that a man named Joel Frydman raped her. The following exchanges took place between Marlin Fisher and E. Gabbey discussing such allegations:

- a. **E. Gabbey:** “Can I message him to tell him I have a boyfriend” [discussing Joel]. *Emphasis Added.*
- b. **M. Fisher:** As you clearly understand, nobody cares you have a boyfriend. But if you’d like to tell him that he raped you, by all means.”
- c. **E. Gabbey:** “.. I’d like to not put our relationship at risk.”
- d. **E. Gabbey:** “I’ll gladly tell him when I’m 18. And anybody else that happened with.”
- e. **E. Gabbey:** “So sweet you are. So you’re breaking up with me because I don’t want to tell Joel he raped me? One, I don’t know if he would tell other people I’m underage. Or who he would tell. And if they know I’m dating you, what happens then? Two, it’d be awkward to go to a drum circle again lol.”

A true and correct copy of the text messages are incorporated herein by reference as Exhibit L.

iv. **Delray Beach Gang Rape and Imprisonment Allegation:** E. Gabbey claimed that she was locked in a garage and gang raped in Delray Beach, Florida, and was

going to make a police report after she had, again, miraculously escaped confinement. She was able to freely text during this time, as evidenced by text messages incorporated herein by reference as Exhibit M. The following exchange, in pertinent part, took place between M. Fisher and E. Gabbey, on April 5, 2019 (not so coincidentally on the day following Fisher not buying into her pregnancy ruse as illustrated below):

- a. E. Gabbey: "Help."
- b. Fisher: "Are you okay?"
- c. E. Gabbey: "I never stopped sharing my location It says I did I didn't do it I don't have time I have to go Please find my location just screenshot it Save it."
- d. Fisher: "You TURNED off your location services so that it wouldn't say you unshared it..."
- e. E. Gabbey: "I tried fucking calling you."
- f. Fisher: "And then you were in danger, but managed to charge your phone, turn off location service, and text, but couldn't call cause that would upset the bad guys."
- g. E. Gabbey: "Yeah I'm just whatever to you I know. I've been shitty.. But this.. is the shittiest thing anybody could ever do to someone I can't believe you promised you'd be there forever..."
- h. E. Gabbey: "You don't even care that I'm on the streets."
- i. Fisher: "You're on the streets? What do you need Emma."
- j. E. Gabbey: "Please don't say anything mean to me anymore."
- k. E. Gabbey: "you would never help me."
- l. Fisher: "I'm offering you help right now."
- m. E. Gabbey: "My phones goin to die."
- n. E. Gabbey: "I need to file a police report."
- o. E. Gabbey: "I have nowhere to go and no other options. There's a detective that I know there that I'm going to talk to."
- p. Fisher: "My uber password *****."
- q. E. Gabbey: "Why are you giving me that."
- r. Fisher: "So you can get a ride, here or to the police station, or home."
- s. E. Gabbey: "I can't go home I've tried I will right in a minute Phones on 1% anyways And I have to try going home again after this".
- t. Fisher: "Push the button."
- u. Fisher: "If you aren't pushing the button, I have to assume you're deceiving me."
- v. Fisher: "..... of course."
- w. E. Gabbey: "My phone just turned on."
- x. E. Gabbey: "I'm in a Lyft my mom got me Jug got home."
- y. E. Gabbey: "She didn't want me to go to the station."
- z. Fisher: "If your phone died, how did you talk to your mom and get her to lyft you home?"
- aa. E. Gabbey: "I asked her when my phone was on."

- bb. Fisher: "After your phone died and you couldn't look at my messages or share your location, you managed to talk to her, convey to her your location, and tell her what happened?"
- cc. Fisher: "Then you would have already known that you weren't going to the police."
- dd. E. Gabbey - "I said I was going to try anyways. My mom is letting me here so I don't talk to police.... I really don't want this right now. I don't want to explain myself to you when every time I say something you don't listen or tell me you don't care That's what I'm always on the verge of."
- ee. E. Gabbey: "And I know if I go to the police station I'm going to be too emotional and end up saying everything."
- ff. Fisher: "All I've done is listen, that's how I know this doesn't make sense. And now you're racking on an incentive for me to not want you to go to the police."
- gg. E. Gabbey: "My mom is letting me come over to talk. She already told me she doesn't want me here."
- hh. Fisher: "You know my email, that hasn't changed. You know how to log into Uber. And your phone seemed to have enough juice to talk to your mom, explain what happened, convey your location, and have her tell you no to the police and bring you home."
- ii. E. Gabbey: "She told me she doesn't want me when she initially kicked me out too."
- jj. E. Gabbey: "Do whatever you want I'm just happy you have grace I wish I could have sex normally without getting fucking raped."
- kk. E. Gabbey: "You were supposed to protect me and guide me."
- ll. Fisher: "Your phone died? But you didn't have a charger until now. So how are you messaging me from 9:17am until 2:45pm? Want to continue telling me that you're giving it to me straight?"
- mm. E. Gabbey: "I woke up and immediately plugged it in an outlet that was next to a dirty mattress on the garage floor that I was in ..."
- nn. Fisher: "So, you were brutally raped, and locked in a garage, but he let you keep your phone and your stuff, so you could pull out your charger and give your phone some juice?"
- oo. E. Gabbey: "It was in my bag."
- pp. E. Gabbey: "I never saw his face."
- qq. Fisher: "I understand, it doesn't matter. Your telling me the guy didn't check you for a phone."
- rr. Fisher: "Kept you at his house, brutally assualted you, and left you in his garage, unworried that you might call someone but worried enough to not let you see his face."
- ss. Fisher: "If you ever wanna tell me straight true stories, use that Uber to come over and we'll talk and take that test. Otherwise, enjoy your night since I know you're going out."
- tt. Fisher: "So I'm confused. were you raped then spend the night walking the streets, or did you pass out there, wake up at 9am, charge your phone in the garage then manage to escape?"
- uu. Fisher: "Or were you just continuing to tell the worst lies to justify fucking for a place to stay and use me for ride while you were actually having fun singing?"
- vv. E. Gabbey: "I posted that this morning."
- ww. Fisher: "You're posting a video of you having a fun time while your walking the streets all battered from being brutally raped?"
- xx. Fisher: "Okay, well, the offer stands but I'm obviously not going to be very receptive to lies..... and I do know that you're currently lying, alright?"
- yy. E. Gabbey: "Not surprised by this. Bottom line is I don't need to explain myself to you I'm not going to tell you anything ever again. Especially after you try to invalidate me I

had nowhere to turn- turned to you hoping that I could get some sort of comfort this world is cruel though. This world is black empty and dark You taught me that.”

zz. E. Gabbey: “If something like what happened to me EVER happened to you I’d be there for you.. doesn’t matter how badly you’ve fucked me over.”

aaa. E. Gabbey: “Because I love you I would forget about any of that happening and only be worried about your wellbeing.”

bbb. Fisher: “Do you hear yourself right now, your hysterical and can’t think straight. You were LAST time too. But you were fine when I showed up where you were playing with the band you told me you had cancelled on. You were so fine, you sent me home alone and I still didn’t see you for 2 days.”

ccc. E. Gabbey: “What? I ended up going with you... The truth is I turned to you because I don’t want to turn to anybody else for emotional comfort. I don’t want to date or see anyone else I don’t want anybody else as a best friend But you seem to have me as your girlfriend and then not when it’s convenient Now you have Grace While I’m fucking pregnant. I just did fucking heroin and was raped You don’t even care about me. You’ve thrown me away and I can’t take care of myself without you.”

ddd. Fisher: “You have my Uber. I offered to take that test with you days ago and today. There is nothing wrong with me going out with other people, even if you’re telling the truth about being pregnant, because I’m single. And I’m single because of the FACT that you can’t say with ANY certainty who the father would be if you are indeed pregnant. Ironic. You know what is unequivocally wrong, doing heroin while pregnant. Anyway. Offer stands, you can come here to talk and take that test, but if you won’t, well, enjoy those evening plans.”

eee. E. Gabbey: “Nevermind I’m not seeing you unless you take me on a date.”

At this point, the main motivation here obviously appears to be to emotionally manipulate M. Fisher into passing over all indiscretions and lies, and to resume a relationship with her immediately. Not only that, E. Gabbey indicates that M. Gabbey, her mother, did not want her to report the alleged brutal assault – after causing Fisher to worry, anxiously for hours, and provoking emotional distress while she continued to lie callously.

v. [REDACTED]

[REDACTED] (Potentially Confidential according to Rule 2.420). In a conversation over text messages with Marlin Fisher, E. Gabbey stated as follows:

a. E. Gabbey: Okay, Marlin. If you are looking for me to publicly tell my actual age & name today or before my case is over, I’ll sadly have to inform you that I won’t. If that is what it takes to prove myself to you, I won’t be able to.”

There are additional text messages in Paragraphs 26-28 above that evidence just how far E. Gabbey is willing to go, by concealing lying about her age to induce

men to relationships, to actively corrupt the justice system. A true and correct copy of the text message statements are incorporated herein as Exhibit N.

- vi. **Reed Sudbury Alleged Rape:** According to the sworn affidavit of Marlin Fisher, E. Gabbey accused a person named “Reed Sudbury” of having raped her when she was a pre-teen.
- vii. **Alban Murder Accusation:** According to the sworn affidavit of Marlin Fisher, E. Gabbey has accused her alleged brother, “Alban,” of having murdered a tourist in Hawaii, which she was a witness to.
- viii. **Bianca Buda:** E. Gabbey accused Ms. Buda of selling her sexually, when she was a minor, to obtain drugs. E Gabbey also accused Ms. Buda of being a heroin addict and lying about her addiction. For instance, the following exchanges, in pertinent part, took place between E. Gabbey and M. Fisher on a few different occasions:
 - a. March 2, 2019:
 - i. E. Gabbey: “I’m with Glenn currently Driving the car Im staying at his moms”.
 - ii. Fishe: “What happened to Bianca’s?”
 - iii. E. Gabbey: “She gets fucked up off heroin , lied and said she’s been clean So I didn’t want to stay”.
 - iv. Fisher: “Oh, I see”.
 - v. Fisher: “So you guys went to west palm for what? 30 minutes?”
 - vi. E. Gabbey: “Played a show at Er Bradley’s I grabbed a beer at Voltaire Now we are headed home so I can cook 😊”.
 - vii. E. Gabbey: “I wish I was home home with you”.
 - viii. Fisher: “Me too”.
 - ix. Fisher: “So, How’s Matt Brown? 😊”.
 - x. Fisher: “Hope he’s doing well”.
 - xi. E. Gabbey: “I stopped by for a minute I don’t know I said hi to him for a second . It was kind of awk because I was being kind of distant.”
 - b. May 24, 2019:
 - i. Fisher: “Anyway, let’s just forget and brush over that you’ve told me Bianca sold your body for drugs and that you had to leave her apartment because she was on

another heroine binge a month ago. Let's pretend you're a loyal good friend that cares about her friends - lets not be accountable..."

c. July 13, 2021:

- i. Fisher: "Are you sure? Because I'm fairly certain that you were lying to me throughout our relationship about the drug usage of other people in your life."
- ii. Fisher: "Bianca's heroine addiction and your mothers addiction to meth."
- iii. E. Gabbey: "Yes, I'm sure. I remember the conversation I had. But in no way am I disagreeing that I lied to you about Bianca and my mother using drugs, not to mention the countless other lies I've told you..."

In this instance, E. Gabbey flat out admits that she lied about Bianca Buda selling her to a man for sex, in exchange for drugs, which is a vicious lie. In an extremely similar manner, this is what she accuses the Tate Brothers of doing on a mass scale, in E. Gabbey's most recent allegations.

A true and correct copy of the text message statements are incorporated herein as Exhibit O.

- ix. **Ryan Riley:** E. Gabbey accused Mr. Riley of sexually assaulting her by sticking his fingers inside of her. This was allegedly done without her consent and she "woke up with his fingers inside me." A true and correct copy of the text message statements are incorporated herein as Exhibit P.
- x. **Cael Detter Harassment:** E. Gabbey also told another person by the name of "Cael Detter" that she was 23 years old and that her name was "Eden" to induce him into a sexual relationship when she was under the age of 18 years old. E. Gabbey subsequently accused Mr. Detter of physically abusing her. Mr. Detter is a Marine Corps veteran and was raised in a law enforcement family. E. Gabbey later accused Mr. Detter of harassing her and her family, which, upon information and belief, is false, and was used to distract Fisher from yet another one of her

lying episodes. According to the text messages provided by Marlin Fisher, E. Gabbey accuses Mr. Detter, as follows:

- a. E. Gabbey: "Stop fucking texting me and my family."
- b. E. Gabbey: "Sorry sorry".
- c. E. Gabbey: "That was to Cael".
- d. M. Fisher: "He's been texting you?"
- e. E. Gabbey: "I unblocked him to send him that".
- f. M. Fisher: "You blocked him after one text".
- g. E. Gabbey: "Yeah after I found out he was messaging Tyber, Bianca, and Mia".

A true and correct copy of the text messages are incorporated by reference herein as Exhibit Q.

50. According to sworn witness statements, this is a two-part lie: the first part involves accusing Mr. Detter of harassing her and her family, and the second part involves making up family members. This is corroborated by the sworn affidavit of Inv. Loveridge who took the statement of Mr. Detter.

51. The lies in her relationship with M. Fisher became so extensive that E. Gabbey would provide him with a 'lie list' every one or two months. A true and correct copy of one of the lie lists is incorporated by reference herein as Exhibit R.

52. M. Fisher begged E. Gabbey to correct the lies she spread about him, which harmed his character and caused distress. The following is E. Gabbey's own written text that was allegedly sent to people she misled about M. Fisher, and is very revealing of her motives and her understanding of exactly what she does to people:

- i. **"I need to open up and tell you all something because I owe it to you-the people I care about. You have each moved me so much in my life that I am able to do it. I have a problem. I am a pathological liar. My life started in Kazakhstan where I grew up in a loveless orphanage. We were picked up facing away from the "caretakers" so we never developed "love". I never learned how to hug, smile, kiss, touch, or be close to anybody. I was adopted by incredible people named Mona & Bill who saved me from a life of abuse. I had a beautiful childhood because of them. When I was 11 or 12 I began to dissociate and resent them. I felt unwanted and like I had no family. So I began to rebel. Doing drugs and meeting lots of different people. I began lying to feel the acceptance I would from someone close to me. Every year I**

began taking more risks than the year before. Running away to different states, trying different drugs, making them, & getting involved with the wrong people. And with each year it became more difficult to connect with people my age. I wore masks to be accepted. And they piled on because I was so afraid of letting people know who I am. Now, I don't know who I am anymore and I'm broken every boundary someone would create for themselves. So that being said there are huge lies that need to be clarified. After this, I completely understand you not wanting to have anything to do with me. I understand if and why you hate me. If you have any questions, I will answer them because you deserve to know the truth. - I am seventeen years old. I was born on May 12th, 2001 - I called Marlin abusive for his rational reactions to finding out I was lying, betraying, and cheating on him repeatedly- constantly There are many lies surrounding the situation with Marlin. So I'd rather have you take it all as untrue because he is a really great guy. I want to thank you guys for showing me what real freedom is- honesty and compassion I've never had support in the way and capacity you guys'd have shown me it. I never thought I knew what love was. I'm so thankful to have experienced it. I know I don't deserve it and I'm so fucking sorry."

A true and correct copy of the text message statements are incorporated by reference herein as Exhibit S.

53. In reality, if E. Gabbey was actually sorry, she would have discontinued her lies and deceit to those around her, but, it has not only continued, it has escalated to a grander scale with more devastating and far reaching consequences without showing a scienter of true remorse as to the impact inflicted on her victims. It becomes apparent that a pattern developed wherein E. Gabbey apologizes, yet only to repeat the deceptive conduct over and over, inflicting the same harm countless times until there is no longer use for the abused, such as the case with M. Fisher.
54. E. Gabbey has utilized several tactics and methods of emotional manipulation over her targets, without any consideration for the impact it may have on them.
55. By utilizing these tactics against M. Fisher, E. Gabbey was able to escape liability for any lie and skirt any responsibility to explain anything related to such lies. E. Gabbey actually had M. Fisher apologize for yelling, in an extremely distressed state, after E. Gabbey lied to him numerous times.

56. In addition to the comments outlined in the previous Exhibits, E. Gabbey has an extensive history of making extortionate comments when she is not getting her way. For example, E. Gabbey made the following implied threat about Fisher being investigated for the statutory rape that he was induced into by E. Gabbey's misrepresentations:

- i. **E. Gabbey: "It's fucked up that it's true. I wish I could move on like you have. I am heartbroken. The more time I spend apart from you, the more fucked up everything seems. I need closure I want to talk to someone about everything, but if I do, you'll end up in an investigation."**
- ii. **E. Gabbey: "If you never contact me updating me with how you've changed, how sorry you are I will have to go to the authorities. My mom will beg me to because she reads all of these messages and she can see who you really are. You are exactly like [REDACTED] (Potentially Confidential according to Rule 2.420) and countless manipulators. You've had the chances to prove me wrong I defend you all the fucking time. I've cleared your name up as an ode and favor to all the beautiful times I believe I've had with you. I expected more from you because I thought highly of you. You've destroyed that yesterday and today. And it's the last time you destroy me."**
- iii. **E. Gabbey: "I'd greatly appreciate if you deleted all my contacts, texts, videos, everything you have saved on your computer please. If you do, I'll make sure to keep everything that's happened between us. Thank you."**

A true and correct copy of the text messages are incorporated herein by reference as Composite Exhibit T.

57. E. Gabbey eventually wore M. Fisher down, with combinations of guilt, fear, threats, and other abuse, which allowed E. Gabbey to continue using M. Fisher for support and her own selfish motives. E. Gabbey not only lures people into committing possible crimes, but invents them and collects "evidence" for future blackmailing. This is clearly evidenced by Composite Exhibit K-2.

58. E. Gabbey has utilized even more serious methods to emotionally manipulate targets and victims, such as claiming that she is going to kill herself due to the reaction of the other person that was largely induced by her own actions or that she is having a "panic attack"

or that she is going to kill herself due to being caught in her own lie. Examples of such are incorporated herein by reference in Composite Exhibit T.

59. E. Gabbey has gone to even greater lengths to manipulate, even sticking with a false narrative for several days or months at a time. In another example, E. Gabbey claimed to M. Fisher that she was pregnant on multiple occasions with his child, even going as far as leaving a gag-gift pregnancy test in his bathroom. The follow, in pertinent part, shows such tactics:

- i. April 4, 2019:
 - a. E. Gabbey: "Can we talk about our terms tomorrow or at some point."
 - b. Fisher: Our terms?"
 - c. Fisher: You AND Marlena went to Matt's that night, Emma. 😔."
 - d. E. Gabbey: "no. Just me."
 - e. E. Gabbey: "She doesn't fuck older guys."
 - f. E. Gabbey: "she's never met Matt."
 - g. E. Gabbey: "I just don't want to agree to something, do it, find out you're still talking to Camber, buying Helin gifts and not me, if I'm not talking to Matt."
 - h. Fisher: "Fuckin Matt constantly, during our relationship, you mean And which Matt."
 - i. E. Gabbey: "Matt Shipley."
 - j. Fisher: Okay, I think of you feel like you want to preserve that then you should pursue that relationship and see if it goes anywhere. Then check if Im still around after, honestly."
 - k. E. Gabbey: "I was afraid to tell you I'm fucking pregnant 🙏 Bye."
 - l. Fisher: "Lololol. Another lie."
 - m. E. Gabbey: "Can we talk about all of this on the phone tomorrow."
 - n. Fisher: "If you want when I get a break from work. But if you're trying to preserve that then just save me the fucking heartbreak."
 - o. Fisher: "Fuck, of course you are. You tried to preserve that when we started too. Then you reminded that in the middle. And are now asking if you can continue it. Just be with him whenever he's in the mood. I'm going to sleep."
 - p. E. Gabbey: "You are the love of my life."
 - q. Fisher: "I want to create a life with you And I'm learning that I am willing to throw away everything to have that with you I'm understanding what love means."
 - r. E. Gabbey: "If I take another pregnancy test and prove to you that it's positive would you even care?"
 - s. Fisher: "Of course I would".
 - t. E. Gabbey: "Is that your April fools joke".
 - u. Fisher: "Are you serious? If you were pregnant with MY child, of course I would support you and whatever you needed. Considering how incredibly unfaithful you've been though, I would DEFINITELY need us to prove it though. But your not pregnant

so I don't know what this is about except to skirt the attention off another absurd fucking lie".

- v. E. Gabbey: "Will you apologize to me when you find out I am".
- w. Fisher: "Dear lord!!! How about I'll apologize when we prove your make believe baby isn't someone else's".
- x. E. Gabbey: "You're hurting me so much".
- y. E. Gabbey: "It could only be yours Nobody has even come remotely close to cumming in me except for you".
- z. E. Gabbey: "And Matt jeske".
- aa. E. Gabbey: "Oh also I made myself cum with my hand for the first time".
- bb. Fisher: "I want someone that will tell me everything, that won't lie, hide shit, deceive..."
- cc. E. Gabbey: "wow okay bye youll never fucking find out then".
- dd. Fisher: "Obviously not fucking pregnant. Just another worthless lie. Please don't bother me with those anymore, they're disgusting".
- ee. E. Gabbey: "Ok I'll send you the results when I get around to it and after that you are never hearing from me again".
- ff. Fisher: "Yeah, you'll need me there to do any paternity test. Gonna send me a random result..."
- gg. E. Gabbey: "I need you there to do a pregnancy test ?"
- hh. Fisher: "1) need me there for me to even believe it's your pregnancy test 2) need me there to take a cvs paternity test with you".
- ii. Fisher: "Ahh "Do not disturb" again. I guess we're never talking again".
- jj. E. Gabbey: "I'm at the Wellington mall lmao Fuck off".
- kk. Fisher: "Having been shitty, you get shittier. Like that time you convinced your friends that you needed to be rescued from "the love of your life" just because you literally wanted to whore yourself out."
- ll. Fisher: "So, farewell. You are, by far, the worst human being that has ever played any part in my life and I TRULY do wish I never met you. I'm embarrassed that I cared about you."
- mm. E. Gabbey: "and since you wish we never met your stupid fucking wish is granted I wish you gave one shit Now I'll have to pay for a fucking abortion which is not something I've ever wanted to do I absolutely despise myself for allowing you into my life Leave me alone forever."
- nn. Fisher: "You aren't pregnant moron. No one is dumb enough to believe you."
- oo. E. Gabbey: "This just hurts You won't be allowed in my life ever again I hope you never hurt anybody, abuse them, impregnate them, and abandon them like you're doing to me Looks like you're exactly like your mom."
- pp. Fisher: "Yeah yeah, why'd you unshare? That's right. Aren't you being honest with your friends now? Didn't your dad move to Australia? Didn't he kill himself? Isn't your brother overdosing? Don't you have a brother? Aren't you at your sisters? Weren't you raped while cheating? You can't talk cause your rapist has cameras? Are you going to sleep on the street? What is Michael saving you from? Didn't your mom need you to be home after she checked your phone logs? Didn't she check your phone logs on Saturday? Thought you were just hanging out with Glenn, who's Brandon? Thought you were just hanging out with Glenn, who's Tyler?"
- qq. Fisher: "And now, while DRUNK, you say you're pregnant. Guess what, no matter how you look at it, your shit. If you're lying, you're shit. If you're telling the truth, yep, you're shit."

ii. For context, according to M. Fisher, E. Gabbey and Fisher made up over the phone and then the following resumes on April 2, 2019 and lasts for several days:

- a. E. Gabbey: "ughh I've been sleeping alone for so lawng I wish I was next to you or something."
- b. Fisher: "My poor baby."
- c. Fisher: "Wait what? How'd you get to clematis?"
- d. Fisher: "What happened to Bianca's?"
- e. E. Gabbey: "She gets fucked up off heroin , lied and said she's been clean So I didn't want to stay."
- f. E. Gabbey: "Played a show at Er Bradley's I grabbed a beer at Voltaire Now we are headed home so I can cook 😊."
- g. Fisher: "So, How's Matt Brown? 😊."
- h. E. Gabbey: "Oh my god."
- i. E. Gabbey: "We played a set and left."
- j. E. Gabbey: "I had a 20 second interaction."
- k. Fisher: "Right right, sweet all day. You run off and see another person you betrayed me for and suddenly you owe me nothing again. Alright."
- l. Gabbey: "Wow."
- m. Fisher: "Still drinking while pregnant? 😊."
- n. E. Gabbey: "Haven't drank."
- o. Fisher: "I wonder which is the lie, "I grabbed a beer", or "I'm pregnant" 😊."
- p. E. Gabbey: "Grabbed I bought a beer."
- q. E. Gabbey: "I did drink at Bianca's."
- r. E. Gabbey: "Whatever none of your business anyways."
- s. E. Gabbey: "You never want to hear from me? Great you'll hear from the lawyer in 9 months fucker Bye."
- t. Fisher: "No problem. going to meet up with grace in about 15 anyway. Have a nice night."
- u. E. Gabbey: "This is horrible My family, my friends, and now the fucking guy who came in me and fucked my entire future up."
- v. Fisher: "What's wrong? Can't handle me doing something once that you've been doing every 2-5 days? That's because you're a bad person."
- w. E. Gabbey: "No you're doing it and using it to hurt me There's a difference."
- x. Fisher: "You know, the kind that tries to convince people she's the only woman in history to take a pregnancy test without missing her period immediately after having one..."
- y. E. Gabbey: "Meeting her up while you have a baby mama who needs you to be present and needs your care and love is shitty."
- z. Fisher: "My baby mama. Lol. Even IF you did take one, your baby could belong to a dozen different men 😊."
- aa. E. Gabbey: "They all pulled out or wore a condom" lololol, works every time."
- bb. E. Gabbey: "I haven't had sex with anybody for a week now."
- cc. E. Gabbey: "Almost a week."

A true and correct copy of the text messages are incorporated herein by reference as Exhibit U.

60. Upon information and belief, these are examples of precisely the type of emotional manipulation that contributed to the death of a former victim named Dustin Milner after having severe emotional distress inflicted by E. Gabbey. According to a witness statement, Mr. Milner committed suicide, at least in part, due to E. Gabbey.

61. To further illustrate the planning and orchestration of devastating accusations and intentional infliction of distress that has a lasting impact on people, on September 16, 2019, E. Gabbey went to the Palm Beach County Courthouse and filed a temporary injunction against M. Fisher after he declined to go to a concert with her. The restraining order accused M. Fisher of several allegations of abuse. A true and correct copy of the restraining order is incorporated by reference herein as Exhibit BB.

62. M. Fisher, after having been initially deceived and then coming to know E. Gabbey's real age, accepted the false allegations of the restraining order to avoid a potential statutory rape charge. However, after the expiration of the temporary restraining order, E. Gabbey and Fisher came back into contact with each other. The following exchange clearly lends itself to showing E. Gabbey lied on her application for a temporary injunction:

- i. Fisher: "I did find about a billion other things from back then though".
- ii. E. Gabbey: "damn :/."
- iii. E. Gabbey: "oh god 😞 i'm sorry, marlin. just hearing tht brings up a lot so i can't imagine what it's like to even be skimming over it."
- iv. E. Gabbey: oh wow
- v. Fisher: "The things I remember being on it were that I - was a heavy user of illicit drugs - would beat you when you tried to leave - restrained you from leaving or calling the cops - often left you on the side of the highway if you said anything to upset me."
- vi. Fisher: "- and that I had been stalking you and showing up places that I knew you would be after you ended things."
- vii. E. Gabbey: "that's so fucked up that i wrote that. i'm going to clear this up."
- viii. E. Gabbey: "not to defend any of this but to clarify i promise i never said you were a user of drugs..."
- ix. Fisher: "You weren't the one writing it?"

- x. E. Gabbey: “the things i were definitely reworded and exaggerated. they asked me of events and then they reworded my words in the official injunction document. i was brought in to speak to two lawyers. (the legal aid who had just finished law school that was defending me & her colleague who was training her).”
- xi. E. Gabbey: “And I am incredibly sorry that what I said encapsulated a completely false narrative. Especially that paints you as a terrible person because you aren’t. You never deserved to be treated that way. Nobody does.”
- xii. E. Gabbey: “None of it was okay. Absolutely none of it. Is there anything you can think of that i can do to prove that I understand that and truly am repentant?”

63. In this instance, E. Gabbey not only admits to constructing and masterminding a “completely false narrative,” but also accuses a Florida attorney and legal aid of professional misconduct by exaggerating her allegations. A true and correct copy of the text message exchange is incorporated herein as Exhibit V.

64. After filing a false report, by her own admission, E. Gabbey has the audacity to tell M. Fisher the following after accusing him of atrocious actions that could have had criminal repercussions:

- i. E. Gabbey: “you definitely confronted a lot of my negative and unhealthy patterns/behaviors. but instead of taking all of that to heart and applying all the support, principles, and advice (you gifted me), i lied and deceived more. i think you did a great job at holding me accountable to my actions and i can’t say that i have had such a determined, forgiving, and understanding boyfriend or friend since. it has taken me years of experiences, reflection, and trial and error to be able to even comprehend a fraction of the lessons you’ve taught me. so overall, yes- you made it difficult. at the time, i hated it. looking back, i am indebted for it.”

A true and correct copy of the text message exchange is incorporated herein as Exhibit W.

65. However, this sentiment is quickly lost by E. Gabbey when M. Fisher explained to her that he found out that the accusations made against the Tate Brothers’ came from her and quickly turned a cover up of her past accusations and to blackmail and extortion to keep her lies and behavior concealed. The pertinent part of the following exchanges took place on or about December 12, 2022 and February 19, 2023:

- i. Fisher: "I know this is outta the blue, but the guy you went to East Europe with, were you talking about Andrew Tate? 😳"
- ii. E. Gabbey: "his brother."
- iii. Fisher: "I'm sorry Emma."
- iv. E. Gabbey: "it's fine. i survived and there are other women who are now able to hopefully receive justice for what they've had to endure, some for years."
- v. E. Gabbey: "also, i meant to ask you this at some point. do you have any idea of any public info that can currently connect you to me? let me know and i can have it scrubbed off."
- vi. Fisher: "Running a search on the palm beach clerk of courts website connects us pretty decisively. Lol."
- vii. Fisher: "I'm not sure if our connection can be scrubbed anymore though. I think that's permanent."
- viii. E. Gabbey: "anything can be with the right people."
- ix. E. Gabbey: "i'll see what i can do and i'm going to look into it more."
- x. E. Gabbey: "thanks."
- xi. Fisher: "I think I should be thanking you in this spot. So, thank you."
- xii. E. Gabbey: "it's probably mutually beneficial."
- xiii. E. Gabbey: "yeah i'm working on it."
- xiv. Fisher: "working on what?"
- xv. E. Gabbey: "scrubbing things."
- xvi. Fisher: "well, it's already been found."
- xvii. Fisher: "they also found dustin btw."
- xviii. E. Gabbey: ":(i know."
- xix. E. Gabbey: "it's all really fucked up."
- xx. E. Gabbey: "i'm scared and just trying to do the right thing."
- xxi. Fisher: "Umm, it sounds like you should come clean then? Apologize, state you have a problem, and need help. No?"
- xxii. E. Gabbey: "Come clean for what?"
- xxiii. E. Gabbey: "I didn't do anything wrong."
- xxiv. Fisher: "okay, well. I've been asked to provide anything I still have from when we dated. What I have from that time is a backup of my phone documenting everything you said about a ton of people (including 2 separate rapes) and a backup of your phone talking to all these people (including the 2 guys that clearly didn't do anything). What do you think the right thing for me to do is?"
- xxv. E. Gabbey: "You fucked me and dated me knowing I was 17 years old."
- xxvi. E. Gabbey: "We can play that game, but it's pointless. I'm literally trying to aid women to be freed of human traffickers."
- xxvii. Fisher: "You pretended to be 23 and the statute of limitations on your deception has past. Regardless of which, if you have a history of completely fabricating terrible shit and I have proof of it then it is the right thing to do to provide that."
- xxviii. E. Gabbey: "You found out I was 17 and stayed with me. This is so heartbreakingly awful."

- xxix. E. Gabbey: "No reason to keep messaging. You're already doing what you're going to do. I have to do my best to not only protect these women and give them an opportunity to actually get help and be safe, but to do the right thing and be honest about everything I saw."
- xxx. Fisher: "What are you talking about? And, It might be true that you're trying to help people, but you're trying to do it in a dishonest way. Guess you never changed at all."
- xxxi. E. Gabbey: "If this is the route you want to go, then okay. It's really sad but I wish you the best either way."
- xxxii. E. Gabbey: "I'm not doing anything dishonestly???"
- xxxiii. Fisher: "I'm not playing along with anything, I was asked about your credibility. To that end, I can answer. I can not answer to anything else. Including your experience in Romania, but I learned a very long time ago not to believe a word you say."

66. On the same day, February 19, 2023, Marlin Fisher received an extortionate email from the attorney agent of E. Gabbey, attempting to pass the correspondence off as a "cease and desist letter," attorney Dani Pinter wrote as follows:

i. Mr. Fisher,

My client Emma Gabbey has made me aware you are considering conspiring with bad actors associated with the Tate brothers in their effort to harrass and defame my client. I am putting you on notice that my client is a key witness in active, international criminal investigations and this effort by Mr. Ahmed and the Tates is a conspiracy to silence her and amounts to witness tampering. If you participate in this effort I will immediately report you to federal law enforcement as part of the conspiracy. And we will include you in the civil action we are preparing against these parties causing my client grave harm.

I am also aware you committed statutory rape against my client. Although you seem to feel insulated from repercussions because time has passed if you take any actions to further the harrassment and attacks on my client we will be forced to make the media, your employers and your community aware that you had sex with a minor and we will commit ourselves to fully investigating your actions before and after your abuse of our client and pursue all legal remedies available.

Please cease and desist any involvement with Sulamain Ahmed or any associate of the Tate brothers engaging in harassment, defamation, disclosing of private info, and witness intimidation against our client immediately.

-Dani Pinter

A true and correct copy of the extortionate email and text messages are incorporated by reference herein as Exhibit Y.

67. Florida Statute defines extortion under Florida law and states as follows:

"Whoever, either verbally or by a written or printed communication, maliciously threatens to accuse another of any crime or offense, or by such communication maliciously threatens an injury to the person, property or reputation of another, or maliciously threatens to expose another to disgrace, or to expose any secret

affecting another, or to impute any deformity or lack of chastity to another, with intent thereby to extort money or any pecuniary advantage whatsoever, or with intent to compel the person so threatened, or any other person, to do any act or refrain from doing any act against his or her will, shall be guilty of a felony of the second degree..”

Fla. Stat. § 836.05.

68. Not only did E. Gabbey meet this definition, but with more maliciousness and severity, her agent did, as well, by maliciously threatening to expose Fisher to disgrace if he did not refrain from giving his opinion and materials in his possession that shed light on the veracity of E. Gabbey’s character, conduct, and past false allegations.

69. With the letter from Ms. Pinter and the text statements from E. Gabbey, the pair were attempting to silence M. Fisher from becoming a witness and providing information pertinent to a potential legal case.

70. In addition to the statements made by E. Gabbey backtracking her allegations of abuse, she seems to have a fixation on sexual assault and abusive behavior generally in the bedroom – and wildly distorting those obsessions into fabricated criminal allegations against former targets – which appears to run paradoxically with several statements she made unmistakably calling for such rough treatment before and during sexual intercourse. For example, in notable exchanges with Fisher, E. Gabbey demanded that Fisher commit “abuse” against her in a graphic sexual context:

- a. **E. Gabbey: “My cunt is craving abuse.”**
- b. **E. Gabbey: “I wish you were here to bite me.”**
- c. **E. Gabbey: “i wish i was gagged and tied up like a fuckslut right meow.”**
- d. **E. Gabbey: “maybe you can leave pretty little bruises on me.”**
- e. **E. Gabbey: “i love it when you gag me.”**

71. E. Gabbey has full consciousness of the severe impact she has on her victims, as evidenced by the following text message:

i. **E. Gabbey: "That I wish I had never met you because I hurt you so much. That you'd be so much happier without me I'm so happy I know you though Thank you thank you for changing my life Teaching me wag love is."**

A true and correct copy of the extortionate email and text messages are incorporated by reference herein as Exhibit Z.

72. E. Gabbey is a professional victim that meticulously persuades anyone unaware of a situation to abuse power and control by soliciting and grooming the sympathy from good decent people in order to gain their assistance – the support that would be given a victim. E. Gabbey is seriously dangerous when it comes to her concentration of manufactured self-victim plots.
73. In short, E. Gabbey has a long, patterned, and malicious history of lying, emotional manipulation, inflicting emotional damage on others, extortion, and causing severe distress as a result of such premeditated and malicious actions, as well as claiming abuse and sexual abuse against victims when she specifically asked them to do such, especially in the case of M. Fisher.
74. M. Fisher has provided an affidavit attesting to the accuracy of the text messages and the information contained in this Complaint. A true and correct copy of the affidavit of Marlin Fisher has been incorporated herein by reference as Exhibit AA.
75. Whereas, as a result of the Defendants' actions, the Plaintiff has suffered actual damages and noneconomic damages, including serious emotional distress, spending time out of his life coping and trying to understand the countless lies and manipulation perpetrated against him, and serious distress as a result of extortionate conduct of both Defendants.
76. The Plaintiff has been forced to hire the undersigned counsel to defend their rights and pay them a reasonable fee for their services.
77. All conditions precedent to filing this Complaint have been satisfied.

COUNT III – INTENTIONAL INFILCTION OF EMOTIONAL DISTRESS

(As to Defendants Dani Pinter and Emma Gabbey)

94. The Plaintiff re-alleges and restates paragraphs 1-93 as though fully stated herein.

95. This is an action by Fisher against E. Gabbey and Pinter for intentional infliction of emotional distress.

96. E. Gabbey and Pinter caused the Plaintiff deliberate or reckless mental suffering by sending extortionate correspondence to him as alleged in the prior paragraphs.

97. E. Gabbey has a long and demonstrated history of inflicting severe emotional distress on her victims, including Fisher, and has continued to do so on Fisher, with regard to attempting to force him to stay silent regarding her nefarious character and past lies.

98. E. Gabbey and Pinter's conduct, which is well outside of the bounds of what is tolerated by society, directly caused mental and emotional anguish for the Plaintiff because it caused extreme anxiety and distress.

99. As a direct result of this conduct, the Plaintiff suffered both psychological and physical harms.

WHEREFORE, Plaintiff, KENNETH MARLIN FISHER, respectfully request that the Court enter, jointly and severally as appropriate, judgment of liability against Defendants, and award damages including attorneys' fees and costs where authorized by statute, pre- and post-judgment interest, and all other relief that this Court deems just and proper..

COUNT IV – ABUSE OF PROCESS
(As to Defendant Emma Gabbey)

100. The Plaintiff re-alleges and restates paragraphs 1-99 as though fully stated herein.

101. September 16, 2019, E. Gabbey went to the Palm Beach County Courthouse and filed a temporary injunction against M. Fisher after he declined to go to a concert with her.

102. As a result, M. Fisher was accused of domestic violence in a court proceeding, which he accepted because of the relationship he was induced into by E. Gabbey.

103. Out of spite, and because M. Fisher had broken up with her, E. Gabbey improperly instituted the proceedings against M. Fisher, which accused him of untrue domestic violence and abuse.

104. As evidenced by text messages, E. Gabbey admitted to M. Fisher that she engineered a "completely false narrative" of domestic violence accusations against M. Fisher.

105. As a result of E. Gabbey's conduct, Plaintiff's person and reputation has been injured by misuse of the process.

WHEREFORE, Plaintiff, KENNETH MARLIN FISHER, respectfully request that the Court enter judgment of liability against Defendant, EMMA AIDA GABBEY, and award damages, special damages, including attorneys' fees and costs where authorized by statute, pre- and post-judgment interest, and all other relief that this Court deems just and proper.

DEMAND FOR JURY TRIAL

Plaintiff demands a trial by jury on all issues so triable.

RELIEF SOUGHT

WHEREFORE, Plaintiff, KENNETH MARLIN FISHER prays that this Court will enter, jointly and severally as appropriate, judgment of liability against Defendants, EMMA AIDA GABBEY and DANI PINTER and award damages including attorneys' fees and costs where authorized by statute, pre- and post-judgment interest, and all other relief that this Court deems just and proper.

provide an allowance for you?
1/7/2022 6:43:02 AM [REDACTED] G: Well that just sounds like prostitution
1/7/2022 6:43:48 AM [REDACTED] G: \$500-1000 for a fuck doesn't really mean
anything or take on any sort of value.
1/7/2022 6:44:43 AM [REDACTED] Eden G: "If my profile didn't give you the
impression that I hold myself to a bit of a higher standard, then I do apologize. Unless, you actually
didn't read or really look through my profile. That would make more sense.
Good luck on your search. "

1/7/2022 6:44:56 AM+ [REDACTED] Would you be down for that?
1/7/2022 6:45:56 AM [REDACTED] Eden G: I would hope that someone who is
generating a yearly income of \$500k would be able to read between the lines better than this. Short
answer- absolutely not lmao.
1/7/2022 6:46:58 AM+ [REDACTED] Bummer for me. Please lmk if you ever change your mind,
and good luck to you
1/7/2022 6:47:29 AM [REDACTED] Eden G: "My mind certainly won't change.

II. Relevant conversations between Emma Gabby and her family members right before she permanently left the establishment

4/6/2022 10:42:29 PM [REDACTED] @s.whatsapp.net Bear: I'm sorry I wasn't honest with you mom. When my flights got canceled to London the first round, I rebooked it to Bucharest. I am extremely safe and protected here though. Where I am is as far from Ukraine as I can be. But also, being here in Europe, the American media is not telling the complete truth about what is happening there. I've already met a few people from Ukraine that are telling entirely different stories.

**TEMPORARY INJUNCTION FOR PROTECTION AGAINST DOMESTIC VIOLENCE
WITHOUT MINOR CHILD(REN)**

The Petition for Injunction for Protection Against Domestic Violence under section 741.30, Florida Statutes, and other papers filed in this Court have been reviewed. Under the laws of Florida, the Court has jurisdiction of the petitioner and the subject matter and has jurisdiction of the respondent upon service of the temporary injunction.

It is intended that this protection order meet the requirements of 18 U.S.C. Section 2265 and therefore intended that it be accorded full faith and credit by the court of another state or Indian tribe and enforced as if it were the order of the enforcing state or of the Indian tribe.

SECTION I. NOTICE OF HEARING

Because this Temporary Injunction for Protection Against Domestic Violence has been issued without prior notice to Respondent, Petitioner and Respondent are instructed that they are scheduled to appear and testify at a hearing regarding this matter on **THURSDAY SEPTEMBER 26, 2019, at 9:15AM**, when the Court will consider whether the Court should issue a Final Judgment of Injunction for Protection Against Domestic Violence, which would remain in effect until modified or dissolved by the Court, and whether other things should be ordered, including, for example, such matters as visitation and support. The hearing will be before The Honorable **JUDGE SAMANTHA SCHOSBERG_FEUER**, at room #5, 200 W ATLANTIC AVE DELRAY BEACH FL 33444. If Petitioner and/or Respondent do not appear, this temporary injunction may be continued in force, extended, dismissed, and/or additional orders may be granted, including entry of a permanent injunction and the imposition of court costs. Petitioner and Respondent will be bound by the terms of any injunction or order issued at the final hearing.

IF EITHER PETITIONER OR RESPONDENT DOES NOT APPEAR AT THE FINAL HEARING, HE OR SHE WILL BE BOUND BY THE TERMS OF ANY INJUNCTION OR ORDER ISSUED IN THIS MATTER.

All witnesses and evidence, if any, must be presented at this time. In cases where temporary support issues have been alleged in the pleadings, each party is ordered to bring his or her financial affidavit (Florida Family Law Rules of Procedure Form 12.902(b) or (c)), tax return, pay stubs, and other evidence of financial income to the hearing.

NOTICE: Because this is a civil case, there is no requirement that these proceedings be transcribed at public expense.

YOU ARE ADVISED THAT IN THIS COURT:

a. a court reporter is provided by the court.

b. electronic recording only is provided by the court. A party may arrange in advance for the services of and provide for a court reporter to prepare a written transcript of the proceedings at that party's expense.

A RECORD, WHICH INCLUDES A TRANSCRIPT, MAY BE REQUIRED TO SUPPORT AN APPEAL. THE PARTY SEEKING THE APPEAL IS RESPONSIBLE FOR HAVING THE TRANSCRIPT PREPARED BY A COURT REPORTER. THE TRANSCRIPT MUST BE FILED WITH THE REVIEWING COURT OR THE APPEAL MAY BE DENIED.

If you are a person with a disability who needs any accommodation in order to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact Tammy Anton, Americans with Disabilities Act Coordinator, Palm Beach County Courthouse, 205 North Dixie Highway, West Palm Beach, Florida 33401; telephone number (561) 355-4380 at least 7 days before your scheduled court appearance, or immediately upon receiving this notification if the time before the scheduled appearance is less than 7 days; if you are hearing or voice impaired, call 711.

SECTION II. FINDINGS

The statements made under oath by Petitioner make it appear that section 741.30, Florida Statutes, applies to the parties. It also appears that Petitioner is a victim of domestic violence by Respondent, and/or Petitioner has reasonable cause to believe he/she is in imminent danger of becoming a victim of domestic violence by Respondent, and that there is an immediate and present danger of domestic violence to Petitioner or persons lawfully with Petitioner.

SECTION III. TEMPORARY INJUNCTION AND TERMS

This injunction shall be effective until the hearing set above and in no event for longer than 15 days, unless extended by court order. If a final order of injunction is issued, the terms of this temporary injunction will be extended until service of the final injunction is effected upon Respondent. This injunction is valid and enforceable in all counties of the State of Florida. The terms of this injunction may not be changed by either party alone or by both parties together. Only the Court may modify the terms of this injunction. Either party may ask the Court to change or end this injunction.

Any violation of this injunction, whether or not at the invitation of Petitioner or anyone else, may subject Respondent to civil or indirect criminal contempt proceedings, including the imposition of a fine or imprisonment. Certain willful violations of the terms of this injunction, such as: refusing to vacate the dwelling that the parties share; going to or being within 500 feet of Petitioner's residence, going to Petitioner's place of employment, school, or other place prohibited in this injunction; telephoning, contacting or communicating with Petitioner if prohibited by this injunction; knowingly or intentionally coming within 100 feet of Petitioner's motor vehicle, whether or not it is occupied; defacing or destroying Petitioner's personal property; refusing to surrender firearms or ammunition if ordered to do so by the court; or committing an act of domestic violence against Petitioner constitutes a misdemeanor of the first degree punishable by up to one year in jail, as provided by sections 775.082 and 775.083, Florida Statutes. In addition, it is a federal criminal felony offense, punishable by up to life imprisonment, depending on the nature of the violation, to cross state lines or enter Indian country for the purpose of engaging in conduct that is prohibited in this injunction. 18 U.S.C. Section 2262.

ORDERED and ADJUDGED:

1. **Violence Prohibited.** Respondent shall not commit, or cause any other person to commit, any acts of domestic violence against Petitioner. INJUNCTION FOR PROTECTION INFORMATION PACKET FOR RESPONDENT

Compiled by:

Domestic Violence Council
OF PALM BEACH COUNTY

RESPONDENT'S FREQUENTLY ASKED QUESTIONS REGARDING INJUNCTIONS FOR PROTECTION

WHAT IS AN INJUNCTION FOR PROTECTION?

An Injunction for Protection is an order from a Judge telling you, the respondent, that you must stay away from the person who got the Injunction, the petitioner. You may not contact them in any way, including email, phone, fax, flowers, gifts, etc. If you do not obey the order, you may be arrested or found in contempt of court. The injunction for protection may address temporary custody, child support, require that you move out of the family home, require that you stay away from the petitioner's home, job, school or any other place.

WHO CAN GET AN INJUNCTION FOR PROTECTION?

Any person who is either the victim of domestic violence or has reasonable cause to believe he or she is in imminent danger of becoming the victim of any act of domestic violence.

HOW CAN I OBJECT TO THE TEMPORARY ORDER?

You can object to all or part of the order by attending the hearing that is scheduled within two weeks after the temporary injunction is granted. You may bring any witnesses or other evidence to the hearing.

WHAT IF I WANT VISITATION WITH OUR CHILDREN?

If requested, visitation may be ordered at the return hearing if you are married to the petitioner, are divorced from the petitioner or if paternity has been established by the court. **If paternity has not been established by the court, visitation cannot be ordered, unless the petitioner agrees.** The Clerk of Court's Self Service Center can assist you in filing the necessary paperwork.

CAN I TELEPHONE THE PETITIONER?

You cannot call the petitioner unless your court order specifies that you can. This is usually the case when the parties have mutual children and the court has made a provision for phone contact to arrange visitation. Otherwise, you may not call the petitioner.

WHAT HAPPENS IF THE PETITIONER GETS AN INJUNCTION FOR PROTECTION, BUT BEGS ME TO VISIT OR MOVE BACK IN?

If you have been served with an Injunction for Protection, it is valid until it expires or until it is changed by the court. If the petitioner allows you to visit or otherwise be in violation of the order, you are still subject to possible arrest or civil contempt charges.

WHY DO I HAVE TO SURRENDER MY FIREARMS/AMMUNITION?

People subject to a qualifying protection order under federal law are generally prohibited from possessing any firearm or ammunition. Violation of this prohibition while the order remains in effect is a federal offense punishable by up to ten years imprisonment.

HOW TO I GET MY FIREARMS/AMMUNITION BACK?

You must wait until the injunction expires or until the court dismisses the case. Then, you may contact the department that you surrendered your firearms/ammunition to, with proof that there is no longer an injunction in place. You may be required to file a motion with the court requesting that your firearms/ammunition be returned.

IMPORTANT INFORMATION ABOUT YOUR CASE

AN INJUNCTION FOR PROTECTION IS A SERIOUS LEGAL PROCEDURE. IT IS IMPORTANT THAT YOU UNDERSTAND ALL OF THE STEPS INVOLVED:

PLEASE BE AWARE OF THE FOLLOWING INFORMATION:

- A. If a temporary injunction is granted, it is effective for 15 days. During that time you are to have no contact with the petitioner and you are not to go to any of the addresses listed on the petition
- B. You must attend the return hearing on the day and time specified so that the judge may determine if the injunction will be granted (if case set for hearing) or extended a longer period of time.
- C. On the day of the hearing, bring with you all supporting documentation (evidence, photos, police reports, tape recordings, DCF reports), witnesses, prior orders regarding custody, divorce; paternity, child support, etc. and employment/salary information with you.
- D. If you violate the Temporary or Final Injunction, you may be arrested or held in contempt of court.
- E. If you would like to modify the terms of injunction after it has been issued, you may go to the Clerk's office, file the appropriate paperwork and a hearing will be set for the court to determine whether or not the injunction should be modified.

****PLEASE SEE REFERRAL SHEET FOR NAMES AND NUMBERS OF AGENCIES THAT MAY BE ABLE TO PROVIDE ASSISTANCE.**

INJUNCTION FOR PROTECTION INFORMATION FOR RESPONDENT

A protection order is a Judge's court order that defines what type of contact **IF ANY** you may have with another party. Only the Judge can make changes.
READ THE CONDITIONS OF THE ORDER!

IF THE COURT ORDER STATES THAT YOU ARE TO HAVE NO CONTACT, this includes:

- Not residing with the person listed in the order (petitioner)
- No physical contact. You must stay away so many feet/yards from the person and any children included in the order (check your order)
- No phone calls
- No letters, emails or faxes
- No gifts
- No messages through friends, family, neighbors, acquaintances
- No communication whatsoever with the petitioner (person or persons) listed in the order.

IMPORTANT THINGS TO KNOW:

- A protection order is a civil court order, *but a violation of the order is a criminal offense. It is punishable by up to one year in jail.*
- If there is a violation, but not an immediate arrest, the Office of the State Attorney will determine if a crime will be charged on the respondent.
- Law enforcement may arrest the respondent if there was a violation of an order issued by a Judge.
- A criminal conviction from a domestic case may affect your ability to obtain certain employment, housing or legal status. An arrest can result in the offender being deported.
- If the person that requested the order (petitioner) wants to change it, that person can petition the court by filing at the courthouse where it was issued. *The order can only be changed or terminated by a Judge.*

WHAT CAN YOU DO TO AVOID PROBLEMS?

- Avoid places the petitioner goes.
- Leave any location, building, restaurant, store or place if petitioner is there.
- If the petitioner calls you, hang up.
- Do not send or respond to any form of communication.
- Avoid contact with the petitioner's family, friends, neighbors or job.
- Do not get into arguments with the petitioner's family or friends. Walk away.
- If the petitioner comes to your house, do not let him/her in. Don't open the door until you know who is there.

EXAMPLES OF WHAT TO DO WHEN THERE IS AN INJUNCTION FOR PROTECTION

- If you see the petitioner, go in a different direction.
- If you are in a place of business and you see the petitioner, do not have communication with that person. Leave/walk away.
- If the petitioner invites you to come over for a special occasion or to work things out, DON'T.
- If the petitioner calls you, leaves messages or emails you, do not respond back.
- If you are told the protection order has been changed, check with the court for confirmation. Do not have contact with the petitioner to find out the information.

I, JOEL FRYDMAN, of full age, being duly sworn according to law upon his oath, deposes and says:

1. I am fully competent to make this affidavit and have personal knowledge of the facts stated herein.
2. I came to know Defendant, Emma Aida Gabbey, in or around 2017, by meeting her at a Drum Circle evening in Delray Beach, Florida.
3. The last time we had any contact was around the end of 2018 or beginning of 2019.
4. I knew her by the name of Eden, but only recently found out that her name was Emma. Emma Gabbey specifically told me that her name was Eden.
5. We had a dating type of relationship, but were never intimate, and shared the passion of music together.

6. At the time, we were feeling each other out.
7. During a portion of time that I knew Emma Gabbey, upon information and belief, I understood her to be living with a man named Keith Fox.
8. At times during the time we were dating, Emma Gabbey told people that I was her brother and was confronted by another man inquiring as to whether I was really her brother or if we were together.
9. I found Emma Gabbey to be evasive, as she refused to tell me her age or divulge minimal levels of personal information.
10. After I had spent some time around Emma Gabbey, because I perceived her as evasive, I asked around the Drum Circle about her.
11. I found out her reputation at the Drum Circle to be that of a liar and a person that regularly concealed the truth from other people.
12. In one instance, I asked Emma Gabbey as to why her eyes were red and she told me that she was being abused by a man that she was dating and that he threw bleach in her eyes.
13. People at a bar/restaurant, named Dada, knew me there to be Emma Gabbey's brother, which made me very uncomfortable.
14. I never observed any physical signs of abuse on Emma Gabbey during the time that I knew her.
15. I found the story about the bleach in her eyes to be not credible and stopped speaking with her after that incident.
16. Recently, it was brought to my attention that Emma Gabbey told a third party, named Kenneth Marlin Fisher, that I had raped her.
17. This allegation of rape is outrageous and a blatant lie. I have never had an intimate relationship with Emma Gabbey and never forced myself on her.
18. This Affidavit is submitted and may be used in support of Plaintiffs' Complaint.
19. I give this affidavit to get my side of the story out and in the interest of justice, as I understand Emma Gabbey was making defamatory statements to other people about me.

20. I do not have any financial interest or obtained anything of value in this matter or by reason of this Affidavit.

21. To my knowledge, all of the facts stated in this Affidavit are true and correct.

SUMMARY OF INTRODUCTORY PAGES to be translated / non-urgent:

[page 18] Report outlining the rights of the victim

[page 19] Details of the person who is giving the statement.

[page 20- handwritten] translated below / urgent:

I have known the named Tristan Tate since November 2021, from the website reddit.com and I met him in person in December 2021 in Miami-Florida. I was invited by the named Tristan Tate to an event organised by himself and his brother Andrew Tate called WARROOM/HUSTLERS UNIVERSITY. The participants to this organisation / event are very rich people, who, at the beginning pay a tax of 50 Dollars and subsequently the participants are requested *[to pay]* larger sums of money to learn from the two brothers how to make more money, but in subsidiary, they ought to learn how to get girls from all corners of the world fall in love with them and to traffic various persons. After this event, Tristan Tate and I spent approximately two weeks together, in different RBNB type rental locations in Miami Florida, USA.

After the days spent together with the named Tristan Tate, he gave me the impression that he was in love with me, in fact this was his approach to various females he would encounter, he would give us the impression that we have a close relationship, although I realised initially that I could not be the only girlfriend of such a famous person. Between December 2021-March 2022, I discussed very little with the said Tristan Tate via the app Whatsapp, I was writing to him certain aspects, but he was replying very bluntly and sometimes after a few days.

Throughout the discussions I had with the said Tristan Tate he told me that he loves me and that he wanted me to go to Romania where he lives. Initially I told him I wasn't sure I would come to Romania, but eventually I accepted his offer, and in the end Tristan Tate paid for my flight ticket from Miami Florida to Bucharest, Romania, the price of the ticket was 4,000 Dollars. On 05.04.2022, at 09:30 hours I arrived in Bucharest on Otopeni airport.

[page 21-handwritten] translated below / urgent:

After arriving in Bucharest, I was met by the named Tristan Tate who arrived in a blue Rolls Royce vehicle, and I had a feeling I should not meet up with this individual. After I left the airport with Tristan Tate, we went to lunch together at an address of an establishment where I do not remember where it was located, we then arrived at Tristan Tate's villa from Voluntari town, Pipera district, Ilfov county, at his villa where there was a swimming pool and several luxury vehicles parked. He told me that I will realise the reason I've been brought to Romania, thus, I remained at that villa for approximately 3 days, during which I was not allowed to leave the courtyard of the property, and, at the same time I was supervised by the security guards at the location. Throughout the 3 days I stayed there were also present the named Georgiana – personal assistant of the Tate brothers, who uses the phone number 0784.282.932, [unclear, potentially Elia] the person who also is also involved in organising [unclear word] of the activities on TIK TOK, INSTAGRAM etc platforms. Marina- the person who is handling the cleaning in the house, Carmen – another person who does video chat, Andrade – another person who is close with the Tate brothers.

I was brought by Georgiana at the address from Voluntari, American Village, the house where there were other persons engaged in various activities like video-chat or videos on different platforms such as Instagram, Tik Tok. I asked Tristan why I was going to leave from his house and go in the house

with the other girls, however he did not answer me, making me understand that I was going to spend the following period of time together with the other girls to make videos for men. At the same time, the named Tristan Tate, told me that I cannot leave that place without his consent, and should I try to run away he will make sure to find me and punish me, thus I did everything I could to escape this place.

I realised I was a victim of human trafficking and that I was going to do things I did not want to do for example videos for sites onlyfans, tik-tok. During the time I was living in the house in which various

[page 22-handwritten] translated below / urgent:

females were making videos on adult sites, like onlyfans. All these females there were somehow imprisoned and forced not to leave the respective house and to post daily video on various sites.

I personally was supervised daily by Georgiana or Bety and I could not go out of the house without their consent and [the consent of] the Tate brothers without being [unclear] by someone. To escape from this house, I got in touch with my friend Mattew, my stepbrother, via Whatsapp and I explained to him everything that had happened and that I want to escape with my friend Aliona, thus we purchased plane tickets for England-London, to a [female] friend of mine.

With regards to all communication, Mattew notified the authorities in Romania, at the USA Embassy. I would also like to state the fact that the named Georgiana, the person who was supervising us, she was getting us to make video for sites like TIK TOK, INSTAGRAM, ONLYFANS, sites on which there were accounts created under our names and [unclear] were administrated by Georgiana, and in case she was not uploading the necessary number of videos, she was being charged by the TATE brothers, she was being penalized with amounts of money.

With regards to the statement above, I declare the fact that everything I stated is true and I will provide to the police the conversations carried via Whatsapp, to prove this.

I have nothing further to add to what I have said above.

This statement was taken in the presence of the representatives of the USA Embassy, Slayko Traykovici and Mihai Patlageana.

After being notified of the provisions of article 81, article 111 para. (2) / article 112 para. (2), article 111 para. (5), (7) and article 113 of the Criminal Procedure Code, in the presence of defence lawyer ex officio, counsel Anabela Tonea from the Bucharest Barr, owner of card series 400-510-026-044, of the ANITP representative chief superintendent Mrs. Camelia Anghel, the ADPARE representative, psychologist Bacsa Wirma, madame interpreter Claudia Rotariu, authorisation no. 23946/177.11.2008, as well as the representatives of the USA Embassy,

I state the following:

I met Tristan Tate in November 2021 via the app called "Reddit", as well on a dating [web]site. I was contacted by Tristan Tate via these apps, and then we continued to communicate for a further one, one a half month, and we physically met at the end of December.

During the time we communicated via the apps we continued talking about our passions, such as music or history. Tristan Tate asked me what was it that I was looking for, in the sense of qualities sought in a man when I start a romantic relationship with someone. And so, I told Tristan Tate that I was looking for an educated, creative person, whom will show me respect, and Tristan presented himself exactly like I wanted a boyfriend to be.

I met Tristan Tate in person at the end of December when he was in Florida, Miami, at a conference in relation to the kind of work he was doing. Tristan told me it would not be a problem if I go to this conference as well and that we will live in a very beautiful house and that it will be a very special first date.

There were a lot of men at that conference, and everyone participating in the conference were staying in the same house Tristan and I were staying at. This was surprising to me, because I thought that Tristan had told me that we would be living on our own in that house and that there will be no one else there.

We ended up staying there overnight because we were already in Miami. I was selling artefacts, and this was the precise reason why I had the opportunity to meet Tristan in Miami. I went to the conference Tristan told me about and this was totally different from what he had described it to me. However, Tristan told me that everything is alright and that we were going to spend the day together just the two of us.

During the day within this conference there were various workshops organised, and women did not have access to these. I did not know at the time why women were not allowed to gain access there, but now I understand why this happened, namely because it was not desirable that women find out what was being discussed there.

The conferences were especially organised for men to teach them how to relate to women.

That night I slept in the same room with Tristan, but I told him I did not want to have sexual relations with him, and Tristan agreed. I stayed in Miami with Tristan for approximately one week, during which I did have sexual relations with him.

On the last night I stayed with Tristan in Miami, whilst we were having sex, Tristan strangled me with both hands, and I told him I do not like to be manhandled, abused. I could tell from Tristan's eyes that he had consumed alcoholic beverages and then I passed out.

When I came around, I couldn't understand quite clearly what had happened. Tristan told me that I had passed out and that it was me who asked him to throttle me. I did not such thing, I know I did not do that, because I do not like that. I had bruising to my neck, and I had pain when swallowing.

I am not certain, but it is possible I have a photograph of these bruises. I am not sure I have it, I don't remember for sure whether I took a picture or not, but if I did and I find the photograph, I will make it available.

After what happened, I cried all night, because I couldn't be sure why it had happened. Because at the time I could not remember exactly what happened, I started to believe that what Tristan was saying was true and that there was the possibility that I had asked him to strangle me.

The next day after these events, Tristan left, and before he left he accused someone of stealing his watch. Meanwhile the owner of the property showed up, he was very angry, because I believed we overstayed at the location by one day against what was agreed on the rental agreement.

After Tristan Tate left, we continued to message each-other via Whatsapp.

Tristan told me he does not want to see me around other men and not even to look at other men. In the beginning Tristan was very romantic, very affectionate towards me, but then he became cold and distant. Afterwards, from time to time, he was telling me that he misses me and he was asking me if I miss him. This was happening very rarely.

Going back I would like to mention the act that before he left Miami, Tristan asked me if I would like to move to Romania, and I told him that I do not want to do this and I started laughing. Several months later I asked him if he was serious when he proposed to me to come to Romania, and he told me that he was and that he will introduce me to this country and will show me everything relating to this country's culture. Subsequently, the idea of visiting Romania became the idea of moving together with him in this country.

For me to get to Romania, Tristan was the one who paid for my plane ticket with his personal card and then sent me a photo. Tristan Tate sent me the details of the card I used to book the plane ticket. He asked me to book and buy a first-class ticket. Thus, I used Tristan Tate's card. The ticket cost approximately 4,000 Dollars, because I purchased it one week before I arrived in Romania.

On Tuesday, 05.04.2022, at 13:15 hours I landed on Otopeni airport, and at 13:30 hours, Tristan Tate arrived and picked me up from the airport in a blue Rolls Royce. When he picked me up from the airport he told me that we were going to go and have lunch. I told him that I was tired and I wanted to rest, however he told me that we will be having lunch. Tristan told me that if I tried to leave, I will not have this possibility and however, if I did manage to leave, he will make sure

When Tristan told me this I had a nervous breakdown, because I did have negative feeling prior. I had lied to my parents on order to be able to come to Romania, because they had not agreed to this.

Tristan took me to his house, and when we entered the courtyard, there were two armed individuals there. They opened the gate, we parked the car and at that point Tristan told me that I could take my luggage and put it in the house. On the first night we arrived, we went to Tristan's room. I told him that I was very tired, but I asked him if he wanted us to do anything, thinking that we will have a chat about what went on with us whilst we hadn't seen each other. And so, Tristan told me that he had not brought me to Romania, to that house, without reason, so we had sex. On that occasion he told me exactly that we would have sex. When he said those words to me, I recalled that Tristan, had in fact strangled me that night in Miami.

And so, I simply froze and I had sex with him.

During the period I continued to chat with Tristan via messages I was not afraid of him, I was only afraid of him when I remembered what had happened in Miami, but by then it was already too late.

I lived in Tristan's house from Tuesday until Friday afternoon. During this time, I asked Tristan to show me this country, but he was telling me that there is nothing for me to do. I was asking him whether I will be living in that house forever, but he said no, because I was not a prisoner, however, if I tried to leave, the men guarding the gate will not allow me to step outside the courtyard, unless I showed them that I have an order, something from Glovo.

Tristan was always arguing that that it is too dangerous for me to leave that house, because he had enemies.

I don't realise whether during that time I was falsely imprisoned, because Tristan was telling me that I could leave anytime I wanted, however, when Tristan was away from the house, I could not leave that courtyard.

I told, even pleaded with the guards to open the gates so I could leave, but they were telling me they could not understand what I was saying. At one point I tried communicating with them via Google Translate, however they kept telling me they could not understand what I was saying.

I did not turn to the police, because Tristan scared me, he told me he had surveillance cameras placed all over the house. It even happened to me as I was going to the living room to type, Tristan was messaging me [saying] that he could see I was in the living room, and I am typing. He was making me understand that I am being monitored the whole time.

On Friday afternoon, because I told Tristan that I no longer wanted to live in that house, he asked me whether I wanted to live in a different house where two of his brother Andrew's girlfriends were living, or in a different flat, where another of Tristan's girlfriend was living.

I knew that Tristan was a playboy, but I had no knowledge that he is living and having romantic relations with other women. The moment I realised the situation, I did not cry, nor did I complain, I was scared. All I wanted was to go home, but I was too scared.

During the time I lived at Tristan's house, I was all by myself until Friday, but on Friday I met his girlfriend, the one I was meant to move in with. But at that point I did not know that the girl is Tristan's girlfriend. This girl, Carmen, said she was happy she was going to move in with me, but she will have to get to know me better. I was surprised, but I did agree to this, because I wanted to see whether Carmen was in the same situation I was in.

I asked Carmen a lot of questions and this is how I found out that she was in a 1 year and four months relationship with Tristan and she was originally from Romania. Carmen told me she was practising video-chat and she told me she will teach me everything I needed to know about this.

One day before Tristan had asked me if I would be happy to post photographs of myself on Onlyfans. He then told me to message him with my final answer, because when he asked me in person, I told him I did not know.

From the question, it was my understanding that Tristan was asking me whether I agreed to send him nude photos of myself, in exchange for which he would pay me 50.000 euros. I messaged him saying that I was not comfortable to have photographs of me taken in the nude where my face will be visible also, but if my face would be blurred, I might be able to do it.

When I moved to the other house, the girls who were living there were doing this, namely posting on Onlyfans, except Aliona, who was posting on TikTok. When I say the other girls, I am referring to Betty, Yasmina, Aldea aka "Strumf" ["Smurf"]

[page 247]

Tristan and Andrew have a cousin named Luke, and Strumf [Smurf] was the girlfriend of the latter.

Prior to coming to this house, I was told that only two of Andrew's girlfriends will be at this house, but in reality there were four. I later found out that all these girls, except Aliona had been in that house for over a year. Also, all of these girls said on an individual basis that each of them is Andrew's girlfriend and that each of them was going to have a baby with him.

I saw a message on one of the girls' phones in which Andrew kept telling her to self-harm to prove to him that she loves him. The girl did not agree with this, however Andrew kept insisting.

One of the girls who was in a relationship with Andrew, namely Yasmin said that if anyone would try to interfere in their relationship, she would be capable of doing anything or, if Andrew would ask her to kill anyone, she would be capable of doing this.

When I found out that Aliona had been there for a month I wanted to have a chat with her. I could tell that this woman was not happy, so I wanted to ascertain whether she was in the same situation I was in. Unlike the other girls who had been there for a year or two, I discussed...

I do not recall how our first conversation came about, but I can say that I remember that in fact I asked her how long she had been in that house, and she said a month.

As I kept talking to Aliona, I found out from her that Andrew had lied to her because he was saying the same things to all the girls, and she did not want to be there.

Prior to speaking with Aliona, I talked to Yasmina about everything that going on there and I realised that Aliona did not know what was really going on. The girls were not allowed to speak amongst themselves about the other relationships they were involved in, and in the event this was happening, we were being threatened that Georgiana would beat us up. Yasmina was even threatened by Georgiana.

We were put in that house because we were at the beginning.

Going back, I would like to mention the fact that I fear the Tate brothers. They do everything necessary to instruct us to be afraid of what they can do to us.

The Tate brothers have organisations within which they teach men to do this type of things to women; I saw these things with my own eyes when I participated at the conference in Miami.

The Tate brothers have links with the Russian and Romanian mafia.

The Tate brothers threatened me to publish my real name, my parents names, the telephone number I use, because they have done that before and they will do it again.

I am very scared when I leave here, because the Tate brothers have connections all over the world.

In view of escaping from the house I was staying at, I messaged a friend of mine in America, who is in the marine forces of this state. I messaged him my location, but also a message about what was happening with me.

I managed to avoid Tristan and only had sex with him once. However, one evening I was invited to a party thrown for Ellie. Initially I did not want to go, however I eventually went to explain to a [female] friend of Andrew's what was going on.

I went to that party to prove to my [female] friend that Andrew was involved in romantic relationships with other women too. Andrew wanted to impregnate several women and then lock them in houses. Everything that is happening is real. These women are brainwashed. I do not wish to disclose my [female] friend's identity, because I do not wish to put her in danger.

The amounts of money that the girls were earning from making the live videos on the TikTok app were split half and half with the Tate brothers. Their share was 50%-65%. However, in relation to the posts [uploaded] on the Onlyfans site. The girls were not aware of the amounts of money these generated. Elie, Georgiana and the Tate brothers are the ones who know the real total value and they communicate further to the girls the amounts of money presumably gained from these posts.

Also, the girls have to post the exact photos and videos the Tate brothers were telling them to, otherwise the girls were liable to a fine. Yasmina has a 4,000 Dollars fine.

During the time I was living with these girls, I was never allowed to go outside the house on my own. I was at all times supervised by the other *[females]*, except Aliona.

The girls were imposed not only the schedule, namely what they had to eat or to do on the day, but also the way they had to look. In this sense, there were girls who had undergone aesthetic surgery.

Surely enough, in the beginning the girls were scared, but then they ended up falling in love with the Tate brothers, to eventually getting to the point where they would do anything that they were asking to do. These girls are not themselves.

They use the bodies of young females, for financial reasons, and the girls do it because they truly believe they are in love and they are scared. I am embarrassed I accepted to be treated like this. I am embarrassed to have witnessed so many things and not having the courage to talk about what is happening sooner; I feel scared, I feel that the Tate brothers violated my rights.

This is a new way of committing human trafficking.

One of these girls has not seen her family for years.

As far as I know, Andrada is one of Tristan's girlfriends. He wants to offer her an engagement ring. Tristan wants to have 25 children and Andrada is one of the special females whom he wants to have a child with.

Marina is the housekeeper who was working in the first house I lived in. She told me that she would drive there daily and it would take her two hours to get to the address.

I know that Tristan has an assistant by the name of Ana, who is a very tough person.

We would have wanted to leave without telling anyone. I thought that if I told all of this to my Marine friend he would advise me on how to leave without telling anyone.

We wanted to gather evidence after we left the house, because we did not want it to be understood like we were the ones that said everything. We are now in danger because we talked about everything that happened.

I had an invitation to be able to gain access to the conference in Miami. In general, the participants to these conferences can buy tickets online, which can be in the value of even 7,000 Euros.

This new type of human trafficking is not about sexual exploitation anymore, but it's a new kind of exploitation, by creating a bondage through debt that can never be repaid (debt bondage).

The girls controlled by the Tate brothers are tattooed, and these tattoos carry the message "Tate owned" (*owned by Tate*).

Tristan took me to an apartment located in the near a commercial complex *[shopping mall]*. This flat is in the vicinity of the houses I lived in. In front of this apartment there were many security guards securing the area. Tristan told me that I could live in that apartment if I wanted to. And I went to see the apartment, however everything was scattered inside, the room was the size of a baby room, and there were stains on the bedding.

I told him I would prefer to live anywhere elsewhere, but not there. I had a very nasty feeling when we left the place.

The Tate brothers own a 12-storey building in the mountains. I cannot say exactly where it is located, because I have not been there. The Tate brothers told me that they own 15 houses and they had just bought a house in Dubai. They were also trying to buy a house in London and Miami.

They bought a land near the Bran castle where they intend to build another castle where the girls are going to be accommodated.

Other than the girls I mentioned above I also remember two girls from Prague and another two from Ukraine, who managed to escape from this house.

Every time I was saying I wanted to go outside, I was being told that it is mandatory for me to take someone with me.

With regards to difficult situations I've been through in my life, I can say that the most difficult was the 6 months period during which I was raped by a yoga teacher. With regards to my relationship with my parents I can say that my adolescence was pretty difficult, because I used to be a teenage rebel.

When the house search was conducted at the address where I have been found, since I heard knocking at the front door and I thought I heard a British accent, I assumed that it was either Tristan or Andrew and I got scared. I thought I would be killed or at least beaten up by them. For this reason, I ran upstairs and locked myself in the room I was found in.

I do not wish to participate as a civil party in the criminal trial, because I don't want it to be construed later that I gave this statement for financial gain. The only things I want are peace and quiet.

This statement was taken between the hours of 18:10-20:16, at the headquarters of The Directorate for the Investigation of Organized Crime and Terrorism in room S09 and was audio/audio-video recorded with device SONY no. 4622275.

WITNESS AFFIDAVIT OF IASMINA PENCOV

STATE OF Virginia)
COUNTY OF James City) SS

I, Iasmina Pencov of full age, being duly sworn according to law upon his oath, deposes and says:

1. I am fully competent to make this affidavit and have personal knowledge of the facts stated herein.
2. I am currently employed and am a social media influencer with 23 years of age. I reside in Romania, after moving back in 2021 from Norway.
3. I know Andrew and Tristan Tate. I have never lived with either of them and am simply their friend. They offered to help me when I moved back to Romania.
4. I came to know Defendant, Emma Gabbey (“Gabbey”), in or around April 2022, by meeting when she moved into my leased house in Romania, located in the American Village.
5. I lived in the house with two other girls, Beatrice and Aldea, and offered Gabbey a place to stay, rent free, until she got acclimated and settled.

6. I studied and have a background in psychology and have held a position in management with a skincare brand.
7. As I had also had a lot of work as a model and in order to set my own hours, I became an influencer and had a Tik Tok and Instagram following prior to moving back to Romania.
8. No one in Romania manages my social media accounts or posts to my accounts other than myself, but I do ask for people's opinions on postings.
9. At the time Gabbey arrived in Romania, I was recovering from surgery and was mostly in bed.
10. My understanding is that Gabbey came to Romania to make music and Tristan Tate was going to help promote her career.
11. I recall that Gabbey was in our house for approximately four (4) days.
12. During that time, Gabbey could wake up at her leisure, have food at her leisure, or go for a walk around the neighborhood at her leisure, as well as shop or do anything else as she pleased.
13. I recall that Gabbey would go out of our house everyday, with no restriction.
14. I remember that Gabbey seemed fine for the first two days that she was in my house; however, on the third day, Gabbey became weird and secretive with another woman named Aliona Untila.
15. I remember that on the third day Gabbey was in the house, she did not pick up her phone, so I went to check on her, as she was regularly on her phone and texting. In fact, she regularly spoke with her parents and friends from the United States, without restriction or monitoring.
16. When I entered the Gabbey's room, she and Aliona Untila were sitting suspiciously on the bed, which is when I surmise they were plotting their conspiracy to accuse the Tate Brothers of heinous crimes.
17. I recall having a fight with Gabbey toward the end of the time that she was in my house. This came as a result of Gabbey accusing me of searching her room, which came as a surprise to me and was absolutely false.
18. At that point, I gave Gabbey her own key to her room to be able to lock it at her leisure. All doors in the house were normal and locked from the inside and able to be opened with a key from the outside.

19. As a result of Gabbey claiming to have been human trafficked and falsely imprisoned by the Tate Brothers, the police raided our house on two separate occasions.
20. I was confused by this occurrence because we (including myself, Gabbey, Aliona Untila, and several other girls) were just at a birthday party where I observed Gabbey dancing and drinking freely around. In fact, Gabbey was going in and out of the house all night. We all went home around midnight because I was still recovering from surgery and was tired.
21. The first raid took place on or about April 12, 2022. I recall that I was in bed, with the door open, and heard a knock on the main door. At that point, Gabbey ran up the stairs screaming, with key to her room jingling in her hand, which had not moved from the table prior to the police knocking on the door.
22. When the door was opened, someone asked if Emma Gabbey was in the house, which was answered in the affirmative. At that point, a full tactical team raided my house. I thought the police were actually looking for Gabbey because she had done something wrong, based on her uncontrollable screaming.
23. At this time, we were taken to the police station and I was required to sit in very uncomfortable circumstances, in significant pain from my surgery. I was not even allowed to go to the bathroom alone.
24. The police treated Gabbey and Aliona Untila completely differently from the rest of us from my house.
25. There was a second raid on my house, which comprised a tactical unit entering my house and seizing all devices. At the time of the second raid, I restrained the dogs because, during the first raid, the police hit one of the dogs and injured the animal.
26. I did not have one electronic device left after the second raid, which inhibited my ability to earn my own money and I was left without communication. I found this to be an outrageous abuse of my rights, which was started by Gabbey's and Aliona Untila's preposterous claims of human trafficking and rape.
27. The Romanian Government, specifically the police, prosecutors, and judicial officers, are claiming that I am a "brainwashed victim", which I am not. I am being included as a victim against my will. As previously stated, I have a background in psychology and am of sound mind to be attuned to "brainwashing" techniques as the Tate Brothers are being accused of by the Romanian Government.
28. Once Gabbey and Aliona Untila were released, I observed them in the French Riviera very much enjoying themselves. I have provided true and correct copies of these pictures.

29. As mentioned above, during the course of study in psychology, I have not found one documented case where a victim goes on an extravagant vacation after being human trafficked or having an equivalent experience.
30. Emma Gabbey and Aliona Untila have inflicted a great amount of distress on my life.
31. This Affidavit is submitted and may be used in support of Plaintiffs' Complaint.
32. I do not have any financial interest or obtained anything of value in this matter or by reason of this Affidavit.
33. To my knowledge, all of the facts stated in this Affidavit are true and correct.

WITNESS AFFIDAVIT OF BEATRICE ANGHEL

STATE OF NEW JERSEY)
)
) SS
COUNTY OF CAMDEN)

I, Beatrice Anghel of full age, being duly sworn according to law upon his oath, deposes and says:

1. I am fully competent to make this affidavit and have personal knowledge of the facts stated herein.
2. I am currently a social media influencer, with 25 years of age, and I reside in Romania. I was previously employed as a television producer, but left because I wanted to work for myself with my own schedule.
3. I know Andrew and Tristan Tate. I met them through an interview in my prior job. I have never lived with either of them and am simply their friend and consider them my family.
4. I came to know Defendant, Emma Gabbey (“Gabbey”), in or around April 2022, by meeting when she moved into my leased house in Romania, located in the American Village.

5. I lived in the house with two other girls, Iasmina and Aldea, and offered Emma Gabbey a place to stay, rent free, until she got acclimated and settled, as well as Aliona Untila.
6. I was trying to help Aliona Untila and Emma Gabbey while they got settled in Romania to try to further their careers.
7. No one in Romania manages any of my social media accounts or posts to my accounts other than myself, but I do ask for people's opinions on postings.
8. My understanding is that Emma Gabbey came to Romania to make music and Tristan Tate was going to help promote her career.
9. I tried to make Emma Gabbey and Aliona Untila feel like family. We discussed families and our dreams.
10. I recall that Gabbey was in our house for approximately four (4) days. Emma Gabbey tried to incite quarrels at the house, especially between me and Iasmina Pencov.
11. During that time, Emma Gabbey and Aliona Untila could wake up at her leisure, have food at her leisure, or go for a walk around the neighborhood at her leisure, as well as shop or do anything else as she pleased.
12. I recall that Emma Gabbey and Aliona Untila would go out of our house everyday, with no restriction. I specifically went out with Aliona Untila on several occasions to the mall, grocery store, and around the city with no restriction.
13. In fact, no one has ever been restrained in our house from leaving. There are three exits, which are normal, one being through the garage, which only requires the push of a button.
14. I remember that Gabbey seemed fine for the first two days that she was in my house; however, on the third day, Gabbey became weird and secretive with another woman named Aliona Untila.
15. As a result of Emma Gabbey claiming to have been human trafficked and falsely imprisoned by the Tate Brothers, the police raided our house on two separate occasions.
16. I was confused by this occurrence because we (including myself, Emma Gabbey, Aliona Untila, and several other girls) were at my birthday party where I observed Gabbey and Untila dancing and drinking freely around. In fact, Gabbey was going in and out of the house all night. We all went home around midnight. I have provided copies of pictures and videos of the birthday party evidencing such.
17. There were two police raids on our house and I was present for both raids.

18. The first raid took place on or about April 12, 2022. I recall that I was cleaning and heard a knock on the main door. At that point, Gabbey ran up the stairs screaming. Aliona Untila had left the kitchen table to go upstairs approximately five (5) minutes or less before the knock on the door.
19. I went and opened the door. Two police officers put a paper in front of me and one asked if Emma Gabbey was in the house, to which I answered, yes. I was confused why the police were at the door, but I allowed them to enter and told the police that Emma Gabbey was upstairs. There were approximately twenty (20) police officers. I thought the police were actually looking for Gabbey because she had done something wrong, based on her uncontrollable screaming.
20. The police started yelling at us that we were not allowed to leave the room and seized our phones. Of course, they did not do this to Aliona Untila or Emma Gabbey and they were treated completely differently from the rest of us from my house.
21. At this time, we were taken to the police station and I was required to sit for many hours and have my statement taken. The police refused to answer why this happened.
22. When I returned to the house, Emma Gabbey's door was broken and the key that was given to her to lock her room for privacy was sitting on the bed.
23. Just before the day of the first raid, I was going to bed and heard whispers between Aliona Untila and Emma Gabbey. I dismissed it as they were gossiping. I never imagined that they were devising a plan to accuse the Tate Brothers of such crimes.
24. On the morning of the raid, I received a message from Aliona Untila, which stated that she was not feeling well. I went to check on her in her room, but the door was locked and she did not want to open it for me. I realized, as they were leaving with the police some hours later, that she was packing her luggage to leave.
25. There was a second raid on my house, which involved many police entering my house and seizing all devices again.
26. I did not have one electronic device left after the second raid, which inhibited my ability to earn my own money and I was left without communication. I found this to be an outrageous abuse of my rights, which was started by Gabbey's and Aliona Untila's false and evil claims of human trafficking and rape.
27. The Romanian Government, specifically the police, prosecutors, and judicial officers, are claiming that I am a "brainwashed victim", which I am not. I am being included as a victim against my will. As previously stated, the police treated us poorly, by yelling at me and confining me.

28. Once Gabbey and Aliona Untila were released, I observed them in the French Riviera, via Instagram, very much enjoying themselves. I have provided true and correct copies of these pictures.
29. Emma Gabbey and Aliona Untila have inflicted a great amount of distress on my life.
30. This Affidavit is submitted and may be used in support of Plaintiffs' Complaint.
31. I do not have any financial interest or obtained anything of value in this matter or by reason of this Affidavit.
32. To my knowledge, all of the facts stated in this Affidavit are true and correct.
